Your health care coverage is provided by Anthem Blue Cross (Anthem). Anthem Blue Cross has a Group Benefit Agreement (the Agreement) with the Insurance and Benefits Trust of the Peace Officers Research Association of California (PORAC). The benefits of this Evidence of Coverage are provided while Medically Necessary for the Subscriber and enrolled Family Members for a covered illness, injury or condition, subject to all the terms and conditions of the Agreement.

This Combined Evidence of Coverage and Disclosure Form (Evidence of Coverage) constitutes only a summary of the health plan. The Agreement, of which this Evidence of Coverage is a part, must be consulted to determine the exact terms and conditions of coverage. If you have special health care needs, you should read those sections of the Evidence of Coverage that apply to those needs. However, this statement of benefits, exclusions and limitations in this Evidence of Coverage is complete and is incorporated by reference into the Agreement.

The Group Benefit Agreement is an attachment to the Memorandum of Agreement between the Insurance and Benefits Trust of PORAC and the Board of Administration of the California Public Employees' Retirement System (CalPERS). The Memorandum of Agreement is on file and available for review in the office of the Insurance and Benefits Trust of PORAC, 4010 Truxel Road, Sacramento, CA 95834, or you may request a copy by writing to PORAC. A copy of the Memorandum of Agreement may be purchased from PORAC for a reasonable duplication charge.

THE BENEFITS OF THIS EVIDENCE OF COVERAGE ARE PROVIDED ONLY FOR SERVICES THAT ARE CONSIDERED MEDICALLY NECESSARY BY ANTHEM BLUE CROSS. THE FACT THAT A PHYSICIAN PRESCRIBES OR ORDERS THE SERVICE DOES NOT, IN ITSELF, MAKE IT MEDICALLY NECESSARY OR COVERED.

PRUDENT BUYER PLAN

SUMMARY OF BENEFITS: INTRODUCTION

The benefits described under the PORAC PRUDENT BUYER PLAN - SUMMARY OF BENEFITS are provided for covered charges incurred for treatment of a covered illness, injury or condition. A charge is incurred on the date the Member receives the service or supply for which the charge is made. These benefits are subject to all provisions of the Agreement, which may limit benefits or result in benefits not being payable.

THE BENEFITS OF THIS PLAN ARE PROVIDED ONLY FOR THOSE SERVICES THAT ARE CONSIDERED MEDICALLY NECESSARY AS DEFINED IN THIS EVIDENCE OF COVERAGE. THE FACT THAT A PHYSICIAN PRESCRIBES OR ORDERS A SERVICE DOES NOT, IN ITSELF, MEAN THAT THE SERVICE IS MEDICALLY NECESSARY OR THAT THE SERVICE IS COVERED. CONSULT THIS BOOKLET OR TELEPHONE ANTHEM BLUE CROSS AT THE NUMBER SHOWN ON YOUR IDENTIFICATION CARD IF YOU HAVE ANY QUESTIONS REGARDING WHETHER SERVICES ARE COVERED.

This summary provides a brief outline of your benefits. You need to refer to this entire Evidence of Coverage for complete information about the benefits, conditions, limitations and exclusions of your plan.

All benefits are subject to coordination with benefits under certain other plans.

Triage or Screening Services. If you have questions about a particular health condition or if you need someone to help you determine whether or not care is needed, triage or screening services are available to you from Anthem by telephone. Triage or screening services are the evaluation of your health by a Physician or a nurse who is trained to screen for the purpose of determining the urgency of your need for care. Please contact the 24/7 NurseLine at the telephone number listed on your identification card 24 hours a day, 7 days a week.

After Hours Care. After hours care is provided by your Physician who may have a variety of ways of addressing your needs. You should call your Physician for instructions on how to receive medical care after their normal business hours, on weekends and holidays, or to receive non-Emergency care and non-urgent care within the service area for a condition that is not life threatening but that requires prompt medical attention. If you have an Emergency, call 911 or go to the nearest emergency room.

Telehealth. This Plan provides benefits for covered services that are appropriately provided through telehealth, subject to the terms and conditions of the Plan. In-person contact between a health care provider and the patient is not required for these services, and the type of setting where these services are provided is not limited. "Telehealth" is the means of providing health care services using information and communication technologies in the consultation, diagnosis, treatment, education, and management of the patient's health care when the patient is located at a distance from the health care provider. Telehealth does not include consultations between the patient and the health care provider, or between health care providers, by telephone, facsimile machine, or electronic mail.

The benefits of this plan may be subject to the THIRD PARTY LIABILITY section.

Important Note About Maximum Allowed Amount And Your Co-Payment: The Maximum Allowed Amount for Non-Prudent Buyer Plan Providers can be significantly lower than what the provider customarily charges. (Detailed information on how benefits are determined is found under DETERMINATION OF THE MAXIMUM ALLOWED AMOUNT.) You must pay all of this excess amount in addition to your co-payment.

The Maximum Allowed Amount and the terms of this section do not include any amount payable under the section entitled PRESCRIPTION DRUG BENEFITS.

PLAN PROVIDERS

PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED. IF YOU HAVE SPECIAL HEALTH CARE NEEDS, YOU SHOULD CAREFULLY READ THOSE SECTIONS THAT APPLY TO THOSE NEEDS.

PRUDENT BUYER PLAN PROVIDERS IN CALIFORNIA

Your PORAC Prudent Buyer Plan offers you the freedom to select any provider of your choice. However, when Prudent Buyer Plan Providers are used, you save on out-of-pocket costs. Prudent Buyer Plan Providers have agreed to a rate they will accept as reimbursement for covered services.

BENEFITS FOR NON-PRUDENT BUYER PLAN PROVIDERS CAN BE SIGNIFICANTLY REDUCED WHEN COMPARED TO THOSE PROVIDED BY PRUDENT BUYER PLAN PROVIDERS. For detailed information on how benefits are determined, please refer to the sections entitled DETERMINATION OF THE MAXIMUM ALLOWED AMOUNT on page 16 and SCHEDULES FOR NON-PRUDENT BUYER PLAN PROVIDERS beginning on page 121. For Information on how providers are paid please refer to PRUDENT BUYER PLAN BENEFITS - CO-PAYMENTS. These sections contain important information regarding how Non-Prudent Buyer Plan Providers are paid.

Anthem Blue Cross publishes a directory of Prudent Buyer Plan Providers. The directory lists all Prudent Buyer Plan Providers in your area, including health care facilities such as Hospitals and Skilled Nursing Facilities, Physicians, laboratories, and diagnostic x-ray and imaging providers. You may call Anthem Blue Cross at 1-800-288-6928 or you may write to Anthem Blue Cross at P.O. Box 60007, Los Angeles, CA 90060-0007 and ask to have a directory sent to you. You may also search for a Prudent Buyer Plan Provider using the "Provider Finder" function on the Anthem Blue Cross website at www.anthem.com/ca.

IMPORTANT NOTE: Please be aware that it is the Members' responsibility to verify that the health care providers who they receive treatment from have current Prudent Buyer Plan participating provider status for:

- The Hospital or other facility where care will be given. After verifying that the Hospital or other facility is a Prudent Buyer Plan Provider, you should not assume all providers at that Hospital are also Prudent Buyer Plan Providers. To receive the maximum benefits under this plan, you should request that all your services be performed by Prudent Buyer Plan Providers whenever you enter a Hospital or other facility.
- The specific location at which you will receive care. Some providers participate at one location, but not at others.
- The Physician providing your care, especially anesthesiologists, pathologists and radiologists.

It is important to know that when you enroll in the PORAC Prudent Buyer Plan, services are provided through the plan's delivery system, but the continued participation of any one doctor, hospital or other provider cannot be guaranteed.

Out-of-Area Members. You are considered to be out-of-area for reimbursement of covered medical and hospital services if your address of record indicates you reside within the following zip codes: 92328, 92384, 92389, 93512, 93513, 93514, 93515, 93517, 93522, 93526, 93529, 93530, 93541, 93545, 93546, 93549, 96107 and 96133. If your co-payment is a percentage, we will multiply the applicable percentage by the Maximum Allowed Amount remaining after any deductible has been met. This will determine the dollar amount of your co-payment. In addition to the co-payment, you will be required to pay any amount in excess of the Maximum Allowed Amount for the services of a Related Health Provider or a Non-Prudent Buyer Plan Provider. Expense which is applied toward any deductible, which is incurred for non-covered expense, or which is in excess of the Maximum Allowed Amount, is the Members responsibility.

All co-payments are subject to any maximum benefits listed under PRUDENT BUYER PLAN BENEFITS - COVERED SERVICES AND SUPPLIES on pages 21 through 44.

Important Note: Any covered charges for services provided by Non-Prudent Buyer Plan Hospitals, Non-Prudent Buyer Plan Ambulatory Surgical Centers and Non-Prudent Buyer Plan Physicians is strictly limited. Please refer to DETERMINATION OF THE MAXIMUM ALLOWED AMOUNT to see how covered charges are determined for these providers, and please read the definitions of Maximum Allowed Amount and Scheduled Amount. Any amount in excess of the Maximum Allowed Amount for Non-Prudent Buyer Plan Providers is the Member's responsibility and will not accumulate toward the Out-of-Pocket Expense Amount.

Authorized Referrals. When an Authorized Referral from a Physician who is a Prudent Buyer Plan Provider to a Non-Prudent Buyer Plan Provider is approved by Anthem Blue Cross **before** services are rendered, Anthem Blue Cross will provide whatever benefits are appropriate for Prudent Buyer Plan Providers (see DETERMINATION OF THE MAXIMUM ALLOWED AMOUNT and GENERAL DEFINITIONS for additional information).

Providers Not Represented in the Prudent Buyer Plan Network. For charges by a type of Physician not represented in the Prudent Buyer Plan network (for example, an audiologist), Anthem Blue Cross will provide whatever benefits are appropriate for Prudent Buyer Plan Providers.

Cancer Clinical Trials. For charges by Non-Prudent Buyer Plan Providers for services and supplies provided in connection with Cancer Clinical Trials, Anthem Blue Cross will provide whatever benefits would be appropriate if the services and supplies were provided by a Prudent Buyer Plan Provider.

Bariatric Surgery. For bariatric surgical procedures authorized by Anthem Blue Cross and performed at a designated Centers of Medical Excellence (CME), your co-payment will be the same as for Prudent Buyer Plan Providers. Charges for bariatric surgical procedures are not covered when performed at other than a designated CME. See PRUDENT BUYER PLAN BENEFITS - UTILIZATION REVIEW PROGRAMS.

Specified Transplants. For specified transplants (heart, liver, lung, combination heart-lung, kidney, pancreas, simultaneous pancreas-kidney, or bone marrow/stem cell and similar procedures) determined to be Medically Necessary, authorized by Anthem Blue Cross and performed at a designated Centers of Medical Excellence (CME), your co-payment will be the same as for Prudent Buyer Plan Providers. Charges for specified transplants are not covered when performed at other than a designated CME. See PRUDENT BUYER PLAN BENEFITS - UTILIZATION REVIEW PROGRAMS.

OUT-OF-POCKET EXPENSE AMOUNT

After you or your Family Members have made the following total out-of-pocket payments for covered charges incurred during a calendar Year, you will no longer be required to pay a co-payment for the remainder of that Year, but you remain responsible for costs in excess of the Maximum Allowed Amount for covered services provided by Non-Prudent Buyer Plan Providers and Related Health Providers.

- Per Member \$3,000 *
- Two or more Members of the same family \$6,000 * †

† Not to exceed \$3,000 for any one Member.

*Exceptions:

- Any co-payments made for donor searches for transplants will not be applied toward the satisfaction of your Out-of-Pocket Expense Amount. In addition, you will be required to continue to pay the co-payment for such services even after you have reached that amount.
- Expenses which are applied toward any deductible, incurred for non-covered services or supplies, or in excess of the Maximum Allowed Amount, will not be applied towards your Out-of-Pocket Expense Amount.

Please read the definition of Out-of-Pocket Expense carefully, and refer to DETERMINATION OF THE MAXIMUM ALLOWED AMOUNT to see how covered charges are determined.

DETERMINATION OF THE MAXIMUM ALLOWED AMOUNT

General

This section describes the term "Maximum Allowed Amount" as used in this Combined Evidence of Coverage and Disclosure Form, and what the term means to you when obtaining covered services under this Plan. The Maximum Allowed Amount is the total reimbursement payable under your plan for covered services you receive from Prudent Buyer Plan Providers and Non-Prudent Buyer Plan Providers. It is Anthem Blue Cross' payment towards the services billed by your provider combined with any Deductible or Co-Payment owed by you. In some cases, you may be required to pay the entire Maximum Allowed Amount. For instance, if you have not met your Deductible under this Plan, then you could be responsible for paying the entire Maximum Allowed Amount for covered services. In addition, if these services are received from a Non-Prudent Buyer Plan Provider, you may be billed by the provider for the difference between their charges and Anthem Blue Cross' Maximum Allowed Amount. In many situations, this difference could be significant.

Provided below are two examples, which illustrate how the Maximum Allowed Amount works. These examples are for illustration purposes only.

Example: The plan has a Member Co-Payment of 30% for Prudent Buyer Plan Provider services after the Deductible has been met.

- The Member receives services from a Prudent Buyer Plan surgeon. The charge is \$2,000. The Maximum Allowed Amount under the plan for the surgery is \$1,000. The Member's Co-Payment responsibility when a Prudent Buyer Plan surgeon is used is 30% of \$1,000, or \$300. This is what the Member pays. Anthem Blue Cross pay 70% of \$1,000, or \$700. The Prudent Buyer Plan surgeon accepts the total of \$1,000 as reimbursement for the surgery regardless of the charges.

Example: The plan has a Member Co-Payment of 50% for Non-Prudent Buyer Plan services after the Deductible has been met.

- The Member receives services from a Non-Prudent Buyer Plan surgeon. The charge is \$2,000. The Maximum Allowed Amount under the plan for the surgery is \$1,000. The Member's Co-Payment responsibility when a Non-Prudent Buyer Plan surgeon is used is 50% of \$1,000, or \$500. Anthem Blue Cross pays the remaining 50% of \$1,000, or \$500. In addition, the Non-Prudent Buyer Plan surgeon could bill the Member the difference between \$2,000 and \$1,000. So the Member's total out-of-pocket charge would be \$500 plus an additional \$1,000, for a total of \$1,500.

When you receive covered services, Anthem Blue Cross will, to the extent applicable, apply claim processing rules to the claim submitted. Anthem Blue Cross uses these rules to evaluate the claim information and determine the accuracy and appropriateness of the procedure and diagnosis codes included in the submitted claim. Applying these rules may affect the Maximum Allowed Amount if Anthem Blue Cross determines that the procedure and/or diagnosis codes used were inconsistent with procedure coding rules and/or reimbursement policies. For example, if your provider submits a claim using several procedure codes when there is a single procedure code that includes all of the procedures that were performed, the Maximum Allowed Amount will be based on the single procedure code.

DETERMINATION OF THE MAXIMUM ALLOWED AMOUNT

Provider Network Status

The Maximum Allowed Amount may vary depending upon whether the provider is a Prudent Buyer Plan Provider, a Non-Prudent Buyer Plan Provider or a Related Health Provider.

Prudent Buyer Plan Providers and CME. For covered services performed by a Prudent Buyer Plan Provider or CME the Maximum Allowed Amount for this Plan will be the rate the Prudent Buyer Plan Provider or CME has agreed with us to accept as reimbursement for the covered services. Because Prudent Buyer Plan Providers have agreed to accept the Maximum Allowed Amount as payment in full for those covered services, they should not send you a bill or collect for amounts above the Maximum Allowed Amount. However, you may receive a bill or be asked to pay all or a portion of the Maximum Allowed Amount to the extent you have not met your Deductible or have a Co-Payment. Please call the customer service telephone number on your ID card for help in finding a Prudent Buyer Plan Provider or visit www.anthem.com/ca.

If you go to a Hospital which is a Prudent Buyer Plan Provider, you should not assume all providers in that Hospital are also Prudent Buyer Plan Providers. To receive the greater benefits afforded when covered services are provided by a Prudent Buyer Plan Provider, you should request that all your provider services (such as services by an anesthesiologist) be performed by Prudent Buyer Plan Providers whenever you enter a Hospital.

If you are planning to have outpatient surgery, you should first find out if the facility where the surgery is to be performed is an Ambulatory Surgical Center. An Ambulatory Surgical Center is licensed as a separate facility even though it may be located on the same grounds as a Hospital (although this is not always the case). If the center is licensed separately, you should find out if the facility is a Prudent Buyer Plan Provider before undergoing the surgery.

Non-Prudent Buyer Plan Providers. Providers who are not in our Prudent Buyer network are Non-Prudent Buyer Plan Providers, subject to Blue Cross Blue Shield Association rules governing claims filed by certain ancillary providers. The Maximum Allowed Amount for services provided by a Non-Prudent Buyer Plan Provider will always be the lesser of the billed charge or the Scheduled Amount. See the SCHEDULES FOR NON-PRUDENT BUYER PLAN PROVIDERS, and the definition of Scheduled Amount in the DEFINITIONS section. You will be responsible for any billed charge which exceeds the Scheduled Amount for services provided by a Non-Prudent Buyer Plan Provider.

Related Health Providers. Related Health Providers are providers for which there is no network. They are subject to Blue Cross Blue Shield Association rules governing claims filed by certain ancillary providers. For covered services you receive from a Related Health Provider the Maximum Allowed Amount will be based on the applicable Anthem Blue Cross non-Prudent Buyer Plan Provider rate or fee schedule for this plan, an amount negotiated by Anthem Blue Cross or a third party vendor which has been agreed to by the Non-Prudent Buyer Plan Provider, an amount derived from the total charges billed by the Non-Prudent Buyer Plan Provider, an amount based on information provided by a third party vendor, or an amount based on reimbursement or cost information from the Centers for Medicare and Medicaid Services ("CMS"). When basing the Maximum Allowed Amount upon the level or method of reimbursement used by CMS, Anthem will update such information, which is unadjusted for geographic locality, no less than annually.

DETERMINATION OF THE MAXIMUM ALLOWED AMOUNT

Unlike Prudent Buyer Plan Providers, Non-Prudent Buyer Plan Providers and Related Health Providers may send you a bill and collect for the amount of the Non-Prudent Buyer Plan Provider's or Related Health Provider's charge that exceeds the Maximum Allowed Amount under this Plan. You may be responsible for paying the difference between the Maximum Allowed Amount and the amount the Non-Prudent Buyer Plan Provider or Related Health Provider charges. This amount can be significant. Choosing a Prudent Buyer Plan Provider will likely result in lower out of pocket costs to you. Please call the customer service number on your ID card for help in finding a Prudent Buyer Plan Provider or visit Anthem Blue Cross' website at www.anthem.com/ca. Customer service is also available to assist you in determining this plan's Maximum Allowed Amount for a particular covered service from a Non-Prudent Buyer Plan Provider or Related Health Provider.

Exceptions:

– Emergency Services Provided by Non-Participating Providers

For emergency services provided by Non-Prudent Buyer Plan Provider, reimbursement is based on the Reasonable and Customary Value. You will not be responsible for any amounts in excess of the Reasonable and Customary Value for emergency services rendered within California.

– Cancer Clinical Trials. The Maximum Allowed Amount for services and supplies provided in connection with Cancer Clinical Trials will be the lesser of the billed charge or the amount that ordinarily applies when services are provided by a Prudent Buyer Plan Provider.

– If Medicare is the primary payer for a Member, the Maximum Allowed Amount for that Member does not include:

- a. Charges by a Hospital, in excess of the approved amount as determined by Medicare; or
- b. Charges by a Physician, Home Health Agency, Ambulatory Surgical Center, facility which provides diagnostic imaging services, clinical laboratory, or Home Infusion Therapy Provider that is a Prudent Buyer Plan Provider or a Related Health Provider when the provider accepts Medicare assignment, in excess of the approved amount as determined by Medicare, or:
- c. Charges by a Physician, Home Health Agency, Ambulatory Surgical Center, facility which provides diagnostic imaging services, clinical laboratory, Home Infusion Therapy Provider that is a Non-Prudent Buyer Plan Provider or a Related Health Provider, in excess of the lesser of the Maximum Allowed Amount stated on pages 122 through 126, or:
 - i. For providers who accept Medicare assignment, the approved amount as determined by Medicare; or
 - ii. For providers who do not accept Medicare assignment, the limiting charge as determined by Medicare.

You will always be responsible for expenses incurred which are not covered under this plan.

DETERMINATION OF THE MAXIMUM ALLOWED AMOUNT

Member Cost Share

For certain covered services, and depending on your plan design, you may be required to pay all or a part of the Maximum Allowed Amount as your cost share amount (Deductibles or Co-Payments). Your cost share amount and the Out-Of-Pocket Expense Amounts may be different depending on whether you received covered services from a Prudent Buyer Plan Provider or Non-Prudent Buyer Plan Provider. Specifically, you may be required to pay higher cost-sharing amounts or may have limits on your benefits when using Non-Prudent Buyer Plan Providers. Please see the PORAC PRUDENT BUYER PLAN: SUMMARY OF BENEFITS section for your cost share responsibilities and limitations, or call the customer service telephone number on your ID card to learn how this plan's benefits or cost share amount may vary by the type of provider you use.

Anthem Blue Cross will not provide any reimbursement for non-covered services. You may be responsible for the total amount billed by your provider for non-covered services, regardless of whether such services are performed by a Prudent Buyer Plan Provider or Non-Prudent Buyer Plan Provider. Non-covered services include services specifically excluded from coverage by the terms of your plan and services received after benefits have been exhausted. Benefits may be exhausted by exceeding, for example, Medical Benefit Maximums or day/visit limits.

In some instances you may only be asked to pay the lower Prudent Buyer Plan Provider cost share percentage when you use a Non-Prudent Buyer Plan Provider. For example, if you go to a Prudent Buyer Plan hospital or facility and receive covered services from a Non-Prudent Buyer Plan Provider such as a radiologist, anesthesiologist or pathologist providing services at the hospital or facility, you will pay the Prudent Buyer Plan Provider cost share percentage of the Maximum Allowed Amount for those covered services. However, you also may be liable for the difference between the Maximum Allowed Amount and the Non-Prudent Buyer Plan Provider's charge.

Authorized Referrals

In some circumstances Anthem Blue Cross may authorize Prudent Buyer Plan Provider cost share amounts (Deductibles or Co-Payments) to apply to a claim for a covered service you receive from a Non-Prudent Buyer Plan Provider. In such circumstance, you or your Physician must contact Anthem Blue Cross in advance of obtaining the covered service. It is your responsibility to ensure that Anthem Blue Cross has been contacted. If Anthem Blue Cross authorizes a Prudent Buyer Plan Provider cost share amount to apply to a covered service received from a Non-Prudent Buyer Plan Provider, you also may still be liable for the difference between the Maximum Allowed Amount and the Non-Prudent Buyer Plan Provider's charge. Please call the customer service telephone number on your ID card for Authorized Referral information or to request authorization.

CONDITIONS OF COVERAGE

Urgent Care

See Hospital benefits on pages 32 & 33 as well as Physician/Professional Services on page 36 for specific Co-Pay, Deductible and Out-of-Pocket Expense Amount Information. Anthem Blue Cross will provide whatever benefits would be appropriate if the services and supplies were provided by a Prudent Buyer Plan Provider for charges by Non-Prudent Buyer Plan Providers for services and supplies provided in connection with Urgent Care.

Services and supplies received to prevent serious deterioration of your health or, in the case of pregnancy, the health of the unborn child, resulting from an unforeseen illness, medical condition, or complication of an existing condition, including pregnancy, for which treatment cannot be delayed. Urgent care services are not Emergency Services. Services for urgent care are typically provided by an Urgent Care Center or other facility such as a physician's office. Urgent care can be obtained from Prudent Buyer Plan Providers or Non-Prudent Buyer Plan Providers.

BENEFITS FOR PERVASIVE DEVELOPMENTAL DISORDER OR AUTISM

This Plan provides coverage for behavioral health treatment for Pervasive Developmental Disorder or autism. This coverage is provided according to the terms and conditions of this Plan that apply to all other medical conditions, except as specifically stated in this section.

Behavioral health treatment services covered under this plan are subject to the same deductibles, coinsurance, and copayments that apply to services provided for other covered medical conditions. Services provided by Qualified Autism Service Providers, Qualified Autism Service Professionals, and Qualified Autism Service Paraprofessionals (see the "Definitions" below) will be covered under plan benefits for office visits to Physicians, whether services are provided in the provider's office or in the patient's home. Services provided in a facility, such as the outpatient department of a Hospital, will be covered under plan benefits that apply to such facilities.

You must obtain pre-service review for all behavioral health treatment services for the treatment of Pervasive Developmental Disorder or autism in order for these services to be covered by this Plan (see UTILIZATION REVIEW PROGRAMS for details). No benefits are payable for these services if pre-service review is not obtained.

The meanings of key terms used in this section are shown below. Whenever any of the key terms shown below appear in this section, the first letter of each word will be capitalized. When you see these capitalized words, you should refer to this "Definitions" provision.

UTILIZATION REVIEW PROGRAMS

Benefits are provided only for Medically Necessary and appropriate services. Utilization Review is designed to work together with you and your provider to ensure you receive appropriate medical care and avoid unexpected out-of-pocket expense.

No benefits are payable, however, unless the Member's coverage is in force at the time services are rendered, and the payment of benefits is subject to all the terms and requirements of this plan.

IMPORTANT: The Utilization Review Program requirements described in this section do not apply when coverage under this plan is secondary to another plan providing benefits for a Subscriber or Family Member.

The Utilization Review Program evaluates the medical necessity and appropriateness of care and the setting in which care is provided. Members and Physicians are advised if Anthem Blue Cross has determined that services can be safely provided in an outpatient setting, or if an inpatient Stay is recommended. Services that are Medically Necessary and appropriate are certified by Anthem Blue Cross and monitored so that Members know when it is no longer Medically Necessary and appropriate to continue those services.

This Plan includes the processes of pre-service, care coordination, and retrospective reviews to determine when services should be covered. Their purpose is to promote the delivery of cost-effective medical care by reviewing the use of procedures and, where appropriate, the setting or place of service where care is provided. This Plan requires that covered services be Medically Necessary for benefits to be provided.

Certain services require pre-service review of benefits in order for benefits to be provided. Prudent Buyer Plan Providers will initiate the review on the Member's behalf. A Non-Prudent Buyer Plan Provider may or may not initiate the review for the Member. In both cases, it is the Member's responsibility to initiate the process and ask their Physician to request pre-service review. The Member may also call Anthem Blue Cross directly. Pre-service review criteria are based on multiple sources including medical policy, clinical guidelines, and pharmacy and therapeutics guidelines. Anthem Blue Cross may determine that a service that was initially prescribed or requested is not Medically Necessary if the Member has not previously tried alternative treatments that are more cost effective.

It is the Member's responsibility to determine whether a particular service requires pre-service authorization. Read the following information that follows to assist in this determination and visit www.anthem.com or call the toll-free number for pre-service printed on the Member's identification card for any questions about making this determination.

It is also the Member's responsibility to see that his or her Physician starts the utilization review process before scheduling the Member for any service subject to the Utilization Review Program. If the Member receives any such service and does not follow the procedures set forth in this section, benefits will be reduced as shown under HOW BENEFITS ARE AFFECTED BY UTILIZATION REVIEWS.

UTILIZATION REVIEW PROGRAMS

Utilization Review Requirements

The stages of utilization review are pre-service review, care coordination review, and retrospective review.

Pre-service review determines in advance the medical necessity and appropriateness of certain procedures or admissions and the appropriate length of stay, if applicable. Pre-service review is required for the services listed below.

- All scheduled, non-Emergency inpatient Hospital Stays and Residential Treatment Center admissions.
Exceptions: Pre-service review is not required for inpatient Hospital Stays for the following services
 - Maternity care of 48 hours less following a normal delivery or 96 hours or less following a cesarean section, and
 - Mastectomy and lymph node dissection.
- Specific non-Emergency outpatient services, including diagnostic treatment and other services.
- Specific outpatient surgeries performed in an outpatient facility of a doctor's office.
- Transplant Services.
- Air ambulance in a non-medical Emergency.
- Visits for physical therapy, physical medicine and occupational therapy beyond those described under the "Physical Therapy – Physical Medicine" provision of PRUDENT BUYER PLAN BENEFITS: COVERED SERVICES AND SUPPLIES. While there is no limit on the number of covered visits for Medically Necessary physical therapy, physical medicine, and occupational therapy, additional visits in excess of the stated number of visits must be authorized in advance.
- Specific durable medical equipment.
- Home infusion therapy.
- Home health care.
- Admissions to a Skilled Nursing Facility.
- Bariatric surgical services performed at a Centers of Medical Excellence.
- Advanced imaging procedures, including, but not limited to: Magnetic Resonance Imaging (MRI), Computer Axial Tomography (CAT scans), Positron Emission Tomography (PET scan), Magnetic Resonance Spectroscopy (MRS scan), Magnetic Resonance Angiogram (MRA scan), Echocardiography and Nuclear Cardiac Imaging. The Member may call customer service toll-free at 1-800-288-6928 to find out if an imaging procedure requires pre-service review.
- Behavioral health treatment for pervasive developmental disorder or autism, as specified in the section BENEFITS FOR PERVASIVE DEVELOPMENTAL DISORDER OR AUTISM.

Care coordination review determines whether services are Medically Necessary and appropriate when Anthem Blue Cross is notified while service is ongoing, for example, an Emergency admission to the Hospital.

UTILIZATION REVIEW PROGRAMS

Retrospective review for medical necessity is performed to review services that have already been provided. This applies in cases when pre-service or care coordination review was not completed, or in order to evaluate and audit medical documentation subsequent to services being provided. Retrospective review may also be performed for services that continued longer than originally certified.

How Benefits Are Affected By Utilization Reviews

In order for the full benefits of this plan to be payable, all of the following criteria must be met:

- A. The appropriate utilization reviews must be performed in accordance with this plan. Services that are not reviewed prior to or during service delivery will be reviewed retrospectively when the bill is submitted for benefit payment. If review results in the determination that part or all of the services were not Medically Necessary and appropriate, benefits will not be paid for those services.
- B. When pre-service review is performed and the admission, procedure or service is determined to be Medically Necessary and appropriate, benefits will be provided for the following:
 - Scheduled, non-Emergency inpatient Hospital Stays and Residential Treatment Center admissions.
 - Specific outpatient services, including diagnostic treatment and other services.
 - Specific outpatient surgeries performed in an outpatient facility of a doctor's office.
 - Transplant Services, as follows:
 - For bone, skin or cornea transplants if the Physicians on the surgical team and the facility in which the transplant is to take place are approved by Anthem Blue Cross for the transplant requested.
 - For transplantation of heart, liver, lung, combination heart-lung, kidney, pancreas, combination kidney-pancreas or bone marrow/stem cell and similar procedures, if the providers of the related preoperative and postoperative services are approved and the transplant will be performed at a Centers of Medical Excellence (CME) facility.
 - Air ambulance in a non-medical Emergency.
 - A specified number of additional visits for physical therapy, physical medicine and occupational therapy if the Member needs more visits than is provided under the "Physical Therapy – Physical Medicine" provision of PRUDENT BUYER PLAN BENEFITS: COVERED SERVICES AND SUPPLIES. While there is no limit on the number of covered visits for Medically Necessary physical therapy, physical medicine, and occupational therapy, additional visits in excess of the stated number of visits must be authorized in advance.
 - Specific durable medical equipment.
 - Services of a Home Infusion Therapy Provider if the attending Physician has submitted both a prescription and a plan of treatment before services are rendered.
 - Home health care services if:
 - The services can be safely provided in the Member's home, as certified by the attending Physician; and
 - The attending Physician manages and directs the Member's medical care at home; and

UTILIZATION REVIEW PROGRAMS

- The attending Physician has established a definitive treatment plan which must be consistent with the Member's medical needs and list the services to be provided by the Home Health Agency.
- Services of a Skilled Nursing Facility if the Member requires daily skilled nursing or rehabilitation, as certified by the attending Physician.
- Bariatric surgical procedures, such as gastric bypass and other surgical procedures for weight loss if:
 - The services are to be performed for the treatment of morbid obesity; and
 - The Physicians on the surgical team and the facility in which the surgical procedure is to take place are approved for the surgical procedure requested; and
 - The bariatric surgical procedure will be performed at a Centers of Medical Excellence.
- Advanced imaging procedures, including, but not limited to: Magnetic Resonance Imaging (MRI), Computer Axial Tomography (CAT scans), Positron Emission Tomography (PET scan), Magnetic Resonance Spectroscopy (MRS scan), Magnetic Resonance Angiogram (MRA scan), Echocardiography and Nuclear Cardiac Imaging.
- Behavioral health treatment for pervasive developmental disorder or autism, as specified in the section BENEFITS FOR PERVASIVE DEVELOPMENTAL DISORDER OR AUTISM.

If the member proceeds with any services that have been determined to be not Medically Necessary and appropriate at any stage of the utilization review process, benefits will not be provided for those services.

- C. Services that are not reviewed prior to or during service delivery will be reviewed retrospectively when the bill is submitted for benefit payment. If that review results in the determination that part or all of the services were not Medically Necessary and appropriate, benefits will not be provided for those services. Remaining benefits will be subject to previously noted reductions that apply when the required reviews are not obtained.

If the Member proceeds with any services that have been determined to be not Medically Necessary and appropriate at any stage of the utilization review process, benefits will not be provided for those services.

No benefits are payable unless the Member's coverage is in force at the time services are rendered.

How To Obtain Utilization Reviews

It is always the Member's responsibility to confirm that the review has been performed. If the review is not performed, benefits will be reduced as shown under HOW BENEFITS ARE AFFECTED BY UTILIZATION REVIEWS.

1. Pre-service Reviews

Obtain required Pre-service Review before receiving scheduled services as follows:

For all scheduled services that are subject to utilization review, the Member or the Member's Physician must initiate the pre-service review at least five working days prior to when the Member is scheduled to receive services.

The Member must inform his or her Physician that this plan requires pre-service review. Prudent Buyer Plan Physicians will initiate the review on the Member's behalf. A Non-Prudent Buyer Plan Provider may initiate the review for the Member, or the Member may call Anthem Blue Cross directly. The toll-free telephone number for pre-service review is 1-800-274-7767.

UTILIZATION REVIEW PROGRAMS

If the Member does not receive the certified service within 60 days of the certification, or if the nature of the service changes, a new pre-service review must be obtained.

Anthem Blue Cross will certify services that are Medically Necessary and appropriate. For inpatient Hospital and Residential Treatment Center Stays, Anthem Blue Cross will, if appropriate, certify a specific length of Stay for approved services. The Member, the Member's Physician and the provider of services will receive a written confirmation showing this information.

2. Care Coordination Reviews

If pre-service review was not performed, the Member, the Member's Physician or the provider of service must contact Anthem Blue Cross for care coordination review. **For an Emergency Hospital admission or procedure, Anthem Blue Cross must be notified within one working day of the admission or procedure, unless extraordinary circumstances* prevent such notification within that time period.** The toll-free telephone number for concurrent review is 1-800-274-7767.

When a Prudent Buyer Plan Provider has been informed of the Member's need for utilization review, they will initiate the review on the Member's behalf. The Member may ask a Non-Prudent Buyer Plan Provider to call the toll free number, or the Member may call Anthem Blue Cross directly.

When Anthem Blue Cross determines that the service is Medically Necessary and appropriate, Anthem Blue Cross will, depending upon the type of treatment or procedure, specify the period of time for which the service is medically appropriate. Also, Anthem Blue Cross will determine the medically appropriate setting.

If Anthem Blue Cross determines that the service is not Medically Necessary and appropriate, the Member's Physician will be notified by telephone no later than 24 hours following Anthem Blue Cross' decision. Written notice will be sent to the Member and the Member's Physician within two business days following Anthem Blue Cross' decision. However, care will not be discontinued until the Member's Physician has been notified and a plan of care that is appropriate for the Member's needs has been agreed upon.

***Extraordinary Circumstances.** In determining "extraordinary circumstances", Anthem Blue Cross may take into account whether or not the Member's condition was severe enough to prevent him or her from notifying Anthem Blue Cross, or whether or not someone from the Member's family was available to notify Anthem Blue Cross for the Member. The Member may have to prove that such "extraordinary circumstances" were present at the time of the Emergency.

3. Retrospective Reviews

If a pre-service or a care coordination review was not performed, a retrospective review will be done to review services that have already been provided to determine if they are Medically Necessary.

Retrospective review is performed when Anthem Blue Cross has not been notified of the services the Member received and therefore is unable to perform the appropriate review. It is also performed when pre-service or care coordination review has been done, but services continue longer than originally certified.

Retrospective review may also be performed for the evaluation and audit of medical documentation after services have been provided, whether or not pre-service or care coordination review was performed.

Such services which have been retrospectively determined to not be Medically Necessary and appropriate will be retrospectively denied certification.

UTILIZATION REVIEW PROGRAMS

The Medical Necessity Review Process

Anthem Blue Cross works with Members and Members' health care providers to cover Medically Necessary and appropriate care and services. While the types of services requiring review and the timing of the reviews may vary, Anthem Blue Cross is committed to ensuring that reviews are performed in a timely and professional manner. The following information explains Anthem Blue Cross' review process.

1. A decision on the medical necessity of a pre-service request will be made no later than five (5) business days from receipt of the information reasonably necessary to make the decision, and based on the nature of the Member's medical condition.

When the Member's medical condition is such that the Member faces an imminent and serious threat to their health, including the potential loss of life, limb, or other major bodily function and the normal five day timeframe described above would be detrimental to your life or health or could jeopardize your ability to regain maximum function, a decision on the medical necessity of a pre-service request will be made no later than 72 hours after receipt of the information reasonably necessary to make the decision (or within any shorter period of time required by applicable federal law, rule, or regulation).

2. A decision on the medical necessity of a care coordination request will be made no later than one (1) business day from receipt of the information reasonably necessary to make the decision, and based on the nature of the Member's medical condition. However, care will not be discontinued until the Member's Physician has been notified and a plan of care that is appropriate for the Member's needs has been agreed upon.
3. A decision on the medical necessity of a retrospective review will be made and communicated in writing to the Member and the Member's Physician no later than thirty (30) days from receipt of the information necessary to make the decision.
4. If Anthem Blue Cross does not have the information it needs, it will make every attempt to obtain that information from the Member or the Member's Physician. If Anthem Blue Cross is unsuccessful and a delay is anticipated, Anthem Blue Cross will notify the Member or the Member's Physician of the delay and what is needed to make a decision. Anthem Blue Cross will also inform the Member of when a decision can be expected following receipt of the needed information.
5. All pre-service, care coordination and retrospective reviews for medical necessity are screened by clinically experienced, licensed personnel (called "Review Coordinators") using pre-established criteria and Anthem Blue Cross' medical policy. These criteria and policies are developed and approved by practicing providers not employed by Anthem Blue Cross, and are evaluated at least annually and updated as standards of practice or technology changes. Requests satisfying these criteria are certified as Medically Necessary. Review Coordinators are able to approve most requests.
6. For pre-service and care coordination requests, written confirmation including the specific service determined to be Medically Necessary will be sent to the Member and Member's provider no later than two (2) business days after the decision, and the Member's provider will be initially notified by telephone within 24 hours of the decision for pre-service and care coordination reviews.

UTILIZATION REVIEW PROGRAMS

7. If the request fails to satisfy these criteria or medical policy, the request is referred to a Peer Clinical Reviewer. Peer Clinical Reviewers are health professionals clinically competent to evaluate the specific clinical aspects of the request and render an opinion specific to the medical condition, procedure and/or treatment under review. Peer Clinical Reviewers are licensed in California with the same license category as the requesting provider. When the Peer Clinical Reviewer is unable to certify the service, the requesting Physician is contacted by telephone for a discussion of the case. In many cases, services can be certified after this discussion. If the Peer Clinical Reviewer is still unable to certify the service, the Member's provider will be given the option of having the request reviewed by a different Peer Clinical Reviewer.
8. Only the Peer Clinical Reviewer may determine that the proposed services are not Medically Necessary and appropriate. The Member's Physician will be notified by telephone within 24 hours of a decision not to certify and will be informed at that time of how to request reconsideration. Written notice will be sent to the Member and the requesting provider within two (2) business days of the decision. This written notice will include:
 - an explanation of the reason for the decision,
 - reference of the criteria used in the decision to modify or not certify the request,
 - the name and phone number of the Peer Clinical Reviewer making the decision to modify or not certify the request,
 - how to request reconsideration if the Member or the Member's provider disagree with the decision.
9. Reviewers may be plan employees or an independent third party Anthem Blue Cross chooses at Anthem Blue Cross' sole and absolute discretion.
10. The Member or the Member's Physician may request copies of specific criteria and/or medical policy by writing to the address shown on the Member's identification card. Anthem Blue Cross discloses its medical necessity review procedures to health care providers through provider manuals and newsletters.

A determination of medical necessity does not guarantee payment or coverage. The determination that services are Medically Necessary is based on the clinical information provided. Payment is based on the terms of the Member's coverage at the time of service. These terms include certain exclusions, limitations, and other conditions. Payment of benefits could be limited for a number of reasons, including:

- The information submitted with the claim differs from that given by phone;
- The service is excluded from coverage; or
- The Member is not eligible for coverage when the service is actually provided.

Revoking or modifying an authorization. An authorization for services or care may be revoked or modified prior to the services being rendered for reasons including but not limited to the following:

- The Member's coverage under this plan ends;
- The Agreement with the PORAC and Anthem Blue Cross terminates;
- The Member reaches a benefit maximum that applies to the services in question; or
- Benefits under the plan change so that the services in question are no longer covered or are covered in a different way.

UTILIZATION REVIEW PROGRAMS

Questions About or Disagreements With Utilization Review Determinations

- A. If the Member or the Member's Physician disagrees with a decision or questions how it was reached, they may request reconsideration. Requests for reconsideration (either by telephone or in writing) must be directed to the reviewer making the determination. The address and the telephone number of the reviewer are included on the Member's written notice of determination. Written requests must include medical information that supports the medical necessity of the services.
- B. If the Member, Member's representative or Member's Physician acting on the Member's behalf find the reconsidered decision still unsatisfactory, a request for an appeal of the reconsidered decision may be submitted in writing to Anthem Blue Cross.
- C. In the event that the appeal decision still is unsatisfactory, the Member's remedy may be binding arbitration as stated elsewhere in this Evidence of Coverage.

Exceptions to the Utilization Review Programs

From time to time, Anthem Blue Cross may waive, enhance, modify, or discontinue certain medical management processes (including utilization management, case management, and disease management) if, in Anthem Blue Cross' discretion, such a change furthers the provision of cost effective, value based and quality services. In addition, Anthem Blue Cross may select certain qualifying health care providers to participate in a program that exempts them from certain procedural or medical management processes that would otherwise apply. Anthem Blue Cross may also exempt claims from medical review if certain conditions apply.

If Anthem Blue Cross exempts a process, health care provider, or claim from the standards that would otherwise apply, Anthem Blue Cross is in no way obligated to do so in the future, or to do so for any other health care provider, claim, or Member. Anthem Blue Cross may stop or modify any such exemption with or without advance notice.

The Member may determine whether a health care provider participates in certain programs by checking Anthem Blue Cross' online provider directory on their website at www.anthemcom/ca or by calling the customer service telephone number listed on the Member's ID card.

Quality Assurance

Utilization review programs are monitored, evaluated, and improved on an ongoing basis to ensure consistency of application of screening criteria and medical policy, consistency and reliability of decisions by reviewers, and compliance with policy and procedure including, but not limited to, timeframes for decision making, notification and written confirmation. Anthem Blue Cross' Board of Directors is responsible for medical necessity review processes through its oversight committees, including the Strategic Planning Committee, Quality Management Committee, and Physician Relations Committee. Oversight includes approval of policies and procedures, review and approval of self-audit tools, procedures, and results. Monthly process audits measure the performance of reviewers and Peer Clinical Reviewers against approved written policies, procedures, and timeframes. Quarterly reports of audit results and, when needed, corrective action plans are reviewed and approved through the committee structure.

CASE MANAGEMENT

The personal case management program enables Anthem Blue Cross to authorize the Member to obtain medically appropriate care in a more economical, cost effective and coordinated manner during prolonged periods of intensive medical care. Anthem Blue Cross has the right, through a case manager, to recommend an alternative plan of treatment which may include services not covered under this plan. It is not the Member's right to receive personal case management, nor does Anthem Blue Cross have an obligation to provide it; Anthem Blue Cross provides these services at its sole and absolute discretion.

How Case Management Works

Members may be identified for possible personal case management through the plan's utilization review procedures described under PRUDENT BUYER PLAN BENEFITS - UTILIZATION REVIEW PROGRAMS, by the attending Physician, Hospital staff or Anthem Blue Cross claims reports. The Member or the Member's family may also call Anthem Blue Cross.

Benefits for personal case management will be considered only when the following criteria are met:

1. The Member requires extensive long-term treatment;
2. Anthem Blue Cross anticipates that such treatment utilizing services or supplies covered under this plan will result in considerable cost;
3. A cost-benefit analysis by Anthem Blue Cross determines that the benefits payable under this plan for the alternative plan of treatment can be provided at a lower overall cost than the benefits the Member would otherwise receive under this plan while maintaining the same standards of care; and
4. The Member or Member's legal guardian and Member's Physician agree, in a letter of agreement, with Anthem Blue Cross' recommended substitution of benefits and with the specific terms and conditions under which the alternative benefits are to be provided.

Alternative Treatment Plan. If Anthem Blue Cross determines that the Member's needs could be met more efficiently, an alternate treatment plan may be recommended. This may include providing benefits not otherwise covered under this plan. An Anthem Blue Cross case manager will review the medical records and discuss the Member's treatment with the attending Physician, the Member and the Member's family.

Anthem Blue Cross makes treatment recommendations only; any decisions regarding treatment belong to the Member and the Member's Physician. The plan will in no way compromise the Member's freedom to make such decisions.

How Benefits Are Affected By Case Management

1. Benefits are provided for an alternative treatment plan on a case-by-case basis only. Anthem Blue Cross has absolute discretion in deciding whether or not to authorize services in lieu of benefits for any Member, which alternatives may be offered and the terms of the offer.
2. Anthem Blue Cross' authorization of services in lieu of benefits in a particular case in no way commits Anthem Blue Cross to do so in another case or for another Member.
3. The personal case management program does not prevent Anthem Blue Cross from strictly applying the expressed benefits, exclusions and limitations of this plan at any other time or for any other Member.

Note: Anthem Blue Cross reserves the right to use the services of one or more third parties in the performance of the services outlined in the letter of agreement. No other assignment of any rights or delegation of any duties by either party is valid without the prior written consent of the other party.

PRESCRIPTION DRUG BENEFITS

Benefits for Prescription Drugs are determined by the type of pharmaceutical provider the Member chooses and the type of Drug provided. A Member can choose to have his or her Prescriptions filled by Participating Pharmacies, Non-Participating Pharmacies, or through the home delivery program. The Member can also choose between Generic Drugs, Brand Name Drugs on Anthem Blue Cross' Prescription Drug Formulary list, or non-Formulary Brand Name Drugs. However, the amount the Member will pay for his or her Prescription is affected by these choices.

PARTICIPATING PHARMACIES

Most Participating Pharmacies are located in California, but there is a limited network of Participating Pharmacies located outside of California. The Member may call 1-800-700-2541 (or TTY/TDD 1-800-905-9821) for assistance in locating a Participating Pharmacy.

Generic Drugs will be dispensed by a Participating Pharmacy when the Prescription indicates a Generic Drug. When a Brand Name Drug is specified, but a Generic Drug equivalent exists, the Generic Drug will be substituted. Brand Name Drugs will be dispensed by a Participating Pharmacy when the Prescription specifies a Brand Name and states "dispense as written" or no Generic Drug equivalent exists.

When the Member presents his or her plastic Anthem Blue Cross Identification Card to a Participating Pharmacy, the Member will only pay the applicable copayment amount for each covered Prescription and each refill (see pages 67-68 for copayment amounts).

Please note that presentation of a Prescription to a Pharmacy or pharmacist does not constitute a claim for benefit coverage. If you present a Prescription to a Participating Pharmacy, and the Participating Pharmacy indicates your Prescription cannot be filled or requires an additional copayment, this is not considered an adverse claim decision. If you want the Prescription filled, you will have to pay either the full cost or the additional copayment for the Prescription Drug. If you believe you are entitled to some plan benefits in connection with the Prescription Drug, submit a claim for reimbursement to the Pharmacy Benefits Manager at the address shown below:

Prescription Drug Program
Attn: Commercial Claims
P.O. Box 2872
Clinton, IA 52733-2872

Participating Pharmacies usually have claims forms, but, if the Participating Pharmacy does not have claim forms, claim forms and customer service are available by calling 1-800-700-2541 (or TTY/TDD 1-800-905-9821). Mail your claim, with the appropriate portion completed by the pharmacist, to the Pharmacy Benefits Manager within 90 days of the date of purchase. If it is not reasonably possible to submit the claim within that time frame, an extension of up to 12 months will be allowed.

PRESCRIPTION DRUG BENEFITS

NON-PARTICIPATING PHARMACIES

When the Member goes to a Non-Participating Pharmacy, the Member must pay the full cost of the Drug and submit a claim to the Pharmacy Benefits Manager at the address below:

Prescription Drug Program
Attn: Commercial Claims
P.O. Box 2872
Clinton, IA 52733-2872

Non-Participating Pharmacies do not have claim forms for these Prescription Drug benefits. The Member must bring a claim form to the Non-Participating Pharmacy and have the pharmacist complete the Pharmacy portion of the form and then sign it.

Claim forms and customer service are available by calling 1-800-700-2541 (or TTY/TDD 1-800-905-9821). The Member must mail the claim form with the appropriate portion completed by the pharmacist to the Pharmacy Benefits Manager within 90 days of the date of purchase. If it is not reasonably possible to submit the claim within that timeframe, an extension of up to 12 months will be allowed. The Member will be reimbursed according to the procedures described under the REIMBURSEMENT provision of this section.

HOME DELIVERY PROGRAM

Members can order Prescriptions through the home delivery Prescription Drug program; however, not all medications are available through the home delivery pharmacy. For any available Prescription Drug ordered through the home delivery program, the Member will only pay the applicable copayment amount. Prescriptions can be filled through the home delivery program for up to a 90-day supply, whichever is greater.

The Prescription must state the Drug name, dosage, directions for use, quantity, Physician's name and phone number, the patient's name and address, and be signed by a Physician. The Member must submit the Prescription with the appropriate payment for the amount of copayment (\$20, \$40 or \$75) and a properly completed order form. (If you are not sure what your copayment amount is, you may call the toll-free phone number listed below for assistance.) Additional cost, if any, resulting from the purchase of a Brand Name Drug will be billed to the Member.

The first home delivery Prescription must also include a completed patient profile questionnaire. The patient profile questionnaire can be obtained by calling the toll-free number on the Member's ID card. The Member need only enclose the Prescription or refill notice and the appropriate payment for any subsequent home delivery Prescriptions, or call the toll-free number. Copayments can be paid by check, money order or credit card.

Order forms or verify whether the Drug is available through the home delivery program, contact the Pharmacy Benefits Manager at 1-800-700-2541 (or TTY/TDD 1-800-905-9821). The order form is also available on-line at www.anthem.com/ca.

Generic Drugs will be dispensed through the home delivery program when the Prescription indicates a Generic Drug. When a Brand Name Drug is specified, but a Generic Drug equivalent exists, the Generic Drug will be substituted. Brand Name Drugs will be dispensed through the home delivery program when the Prescription specifies a Brand Name and states "dispense as written" or no Generic Drug equivalent exists.

The Member may also submit a Prescription for a Specialty Drug with the appropriate payment for the amount of the purchase (You can pay by check, money order, credit card or debit card) and a properly completed order form to the Specialty Drug Program. The Member will only have to pay the cost of the applicable copayment as shown under COPAYMENTS AT A RETAIL PHARMACY OR COPAYMENTS THROUGH THE HOME DELIVERY PROGRAM.

The first time the Member gets a Prescription for a Specialty Drug the Member must also include a completed intake referral form. The intake referral form is to be completed by calling the toll-free number below. PRESCRIPTION DRUG PROGRAM UTILIZATION REVIEW

These Prescription Drug benefits include utilization review of Prescription Drug usage for the Member's health and safety. If there are patterns of over-utilization or misuse of Drugs, Anthem Blue Cross' medical consultant will notify both the Member's personal Physician and pharmacist. Anthem Blue Cross reserves the right to limit benefits to prevent over-utilization of Drugs.

PRESCRIPTION DRUG FORMULARY

Anthem Blue Cross uses a Prescription Drug Formulary to help the Member's Physician make prescribing decisions. The presence of a Drug on the plan's Prescription Drug Formulary list does not guarantee that the Member will be prescribed that Drug by the Physician. These medications, which include both generic and Brand Name Drugs, are listed in the Prescription Drug Formulary. The Formulary is updated quarterly to ensure that the list includes Drugs that are safe and effective. Note: The Formulary Drugs may change from time to time.

Some Drugs may require prior authorization. If you have a question regarding whether a particular Drug is on Anthem Blue Cross' Formulary Drug list or requires prior authorization, please call Anthem Blue Cross at 1-800-700-2541 (or TTY/TDD 1-800-905-9821).

Prior Authorization. Certain Drugs require written prior authorization of benefits in order for Members to receive plan benefits. Prior authorization criteria will be based on medical policy and the Pharmacy and Therapeutics Process established guidelines. The Member may need to try a Drug other than the one originally prescribed if it is determined through prior authorization that it should be clinically effective for the Member. However, if it is determined through prior authorization that the Drug originally prescribed is Medically Necessary, the Member will be provided the Drug originally requested at the applicable co-payment. (If, when you first become a Member, you are already being treated for a medical condition by a Drug that has been appropriately prescribed and is considered safe and effective for your medical condition, we will not require you to try a Drug other than the one you are currently taking.) If approved, Drugs requiring prior authorization for benefits will be provided to the Member after the Member makes the required co-payment.

In order for the Member to get a Drug that requires prior authorization, the Member's Physician must make a written request to Anthem Blue Cross for the Member to get it using an Outpatient Prescription Drug Prior Authorization of Benefits form. The form can be sent by facsimile or mailed to Anthem Blue Cross. The Physician may call Anthem Blue Cross toll-free at 1-800-700-2541 (or TTY/TDD 1-800-905-9821) to request a copy of the form. This form is also available on-line at www.anthem.com/ca.

PRESCRIPTION DRUG BENEFITS

If the request is for urgently needed Drugs, after Anthem Blue Cross receives the Outpatient Prescription Drug Prior Authorization of Benefits form:

- Anthem Blue Cross will, within 72 hours, review the form and decide if benefits are approved. (As soon as Anthem Blue Cross can, based on your medical condition, as Medically Necessary, Anthem Blue Cross may take less than 72 hours to decide if benefits will be approved.) Anthem Blue Cross will notify the Member and Member's Physician in writing of the decision - by facsimile to the Physician and by mail to the Member.
- If more information is needed to make a decision or Anthem Blue Cross, for any reason, cannot make a decision, Anthem Blue Cross will tell the Member's Physician, within 24 hours after Anthem Blue Cross receives the form, what information is missing and why Anthem Blue Cross cannot make a decision. If, for reasons beyond its control, Anthem Blue Cross cannot tell the Member's Physician within 24 hours what information is missing, Anthem Blue Cross will tell the Physician that there is a problem as soon as Anthem Blue Cross knows that it cannot respond within 24 hours. In either event, Anthem Blue Cross will tell the Member and Member's Physician that there is a problem – always in writing by facsimile and, when appropriate, by telephone call to the Member's Physician and in writing by mail to the Member.
- As soon as Anthem Blue Cross can, based on the Member's medical condition, as Medically Necessary, but not more than 48 hours after it has all the information it needs to decide if benefits will be approved, Anthem Blue Cross will notify the Member and Member's Physician in writing of the decision - by facsimile to the Physician and by mail to the Member.

If the request is not for urgently needed Drugs, after Anthem Blue Cross receives the Outpatient Prescription Drug Prior Authorization of Benefits form:

- Based on the Member's medical condition, as Medically Necessary, Anthem Blue Cross will, within 5 business days or a shorter period as applicable by state or federal law, review the form and decide if benefits will be approved. Anthem Blue Cross will tell the Member and Member's Physician in writing what was decided - by facsimile to the Physician and by mail to the Member.
- If more information is needed to make a decision, Anthem Blue Cross will tell the Member's Physician, in writing within 5 business days or a shorter period as applicable by state or federal law after Anthem Blue Cross gets the request, what information is missing and why Anthem Blue Cross cannot make a decision. If, for reasons beyond Anthem Blue Cross' control, it cannot tell the Member's Physician within 5 business days what information is missing, Anthem Blue Cross will tell the Physician that there is a problem as soon as Anthem Blue Cross knows that it cannot respond within 5 business days. In any event, Anthem Blue Cross will tell the Member and Member's Physician that there is a problem – in writing by facsimile and, when appropriate, by telephone call to the Physician, and in writing by mail to the Member.
- As soon as Anthem Blue Cross can, based on the Member's medical condition, as Medically Necessary, within 5 business days or a shorter period as applicable by state or federal law after Anthem Blue Cross has all the information it needs to decide if benefits will be approved, it will tell the Member and Member's Physician in writing what was decided - by facsimile to the Physician and by mail to the Member.

While Anthem Blue Cross is reviewing the Outpatient Prescription Drug Prior Authorization of Benefits form, a 72-hour Emergency supply of medication may be dispensed to the Member if the Member's Physician or pharmacist determines that it is appropriate and Medically Necessary. The Member may have to pay the applicable copayment, shown in PORAC PRUDENT BUYER PLAN: SUMMARY OF BENEFITS on page 6 and under COPAYMENTS AT A RETAIL PHARMACY of this section on pages 65 & 66, for the 72-hour supply of the Drug. If the request for the Drug is approved after the Member has received a 72-hour supply, the Member will receive the remainder of the 30-day supply of the Drug with no additional copayment.

PREScription DRUG BENEFITS

If you have any questions regarding whether a Drug is on the Prescription Drug Formulary or requires prior authorization, please call 1-800-700-2541 (or TTY/TDD 1-800-905-9821).

If a request for prior authorization of a Drug that is not part of the Formulary Drug list is denied, the member or Member's prescribing Physician may appeal the decision by calling Anthem Blue Cross at 1-800-700-2541 (or TTY/TDD 1-800-905-9821). If the Member is not satisfied with the resolution based on such an inquiry, the Member may file a grievance with Anthem Blue Cross by following the procedures described in the section entitled CLAIMS REVIEW / GRIEVANCE PROCEDURES.

A prior authorization of benefit for prescription drug may be revoked or modified prior to the Member receiving the drugs for reasons including but not limited to the following:

- The Member's coverage under this plan ends;
- The Agreement with the PORAC and Anthem Blue Cross terminates;
- The Member reaches a benefit maximum that applies to prescription drugs, if the plan included such a maximum; or
- Prescription drug benefits under the plan change so that prescription drugs are no longer covered or are covered in a different way.

A revocation or modification of a prior authorization of benefits for prescription drugs applies only to unfilled portions or remaining refills of the prescription, if any, and not to drugs you have already received.

The outpatient Prescription Drugs included on the list of Formulary Drugs covered by the Plan is decided by the Pharmacy and Therapeutics Process which is comprised of independent nurses, Physicians and pharmacists. The Pharmacy and Therapeutics Process meets quarterly and decides on changes to make in the Formulary Drug list based on recommendations from Anthem Blue Cross and a review of relevant information, including current medical literature.

SERVICES COVERED BY OTHER BENEFITS

COORDINATION OF BENEFITS

Benefits payable hereunder are subject to reduction, as set forth in the Agreement, if the Member has other group coverage providing hospital, surgical or medical benefits. Such reduction will preclude the Member's receiving an aggregate of more than 100 percent of covered expenses from all group coverages.

THIRD PARTY LIABILITY

Under some circumstances a Member may need services under the benefits of this Evidence of Coverage for which a third party may be liable or legally responsible by reason of negligence, an intentional act or breach of any legal obligation. In that event, Anthem Blue Cross will advance the benefits of this Evidence of Coverage to the Member subject to the following:

- A. Anthem Blue Cross will automatically have a lien, to the extent of benefits advanced, upon any recovery, whether by settlement, judgment or otherwise, that the Member receives from the third party, the third party's insurer, or the third party's guarantor. The lien will be in the amount of benefits paid by Anthem Blue Cross under the Agreement for the treatment of the illness, disease, injury or condition for which the third party is liable.
 - 1. If Anthem Blue Cross paid the provider other than on a capitated basis, its lien will not be more than amount it paid for those services.
 - 2. If Anthem Blue Cross paid the provider on a capitated basis, its lien will not be more than 80% of the usual and customary charges for those services in the geographic area in which they were given.
 - 3. If you hired an attorney to gain your recovery from the third party, Anthem Blue Cross' lien will not be for more than one-third of the money due you under any final judgment, compromise, or settlement agreement.
 - 4. If you did not hire an attorney, Anthem Blue Cross' lien will not be for more than one-half of the money due you under any final judgment, compromise or settlement agreement.
 - 5. If a final judgment includes a special finding by a judge, jury, or arbitrator that you were partially at fault, Anthem Blue Cross' lien will be reduced by the same comparative fault percentage by which your recovery was reduced.
 - 6. Anthem Blue Cross' lien is subject to a pro rata reduction equal to your reasonable attorney's fees and costs in line with the common fund doctrine.
- B. The Member agrees to advise Anthem Blue Cross, in writing, within 60 days of his or her filing a claim against the third party and to take such action, furnish such information and assistance, and execute such papers as Anthem Blue Cross may require to facilitate enforcement of its rights. The Member also agrees to take no action which may prejudice the rights or interests of Anthem Blue Cross under the Agreement. Failure of the Member to give such notice to Anthem Blue Cross or cooperate with Anthem Blue Cross, or actions of the Member that prejudice the rights or interests of Anthem Blue Cross, will be a material breach of the Agreement and will result in the Member being personally responsible for reimbursing Anthem Blue Cross.
- C. Anthem Blue Cross will be entitled to collect on its lien even if the amount you or anyone recovered for you (or your estate, parent or legal guardian) from or for the account of such third party as compensation for the injury, illness or condition is less than the actual loss you suffered.

WORKERS' COMPENSATION INSURANCE

If, pursuant to any Workers' Compensation or Employer's Liability Law or other legislation of similar purpose or import, a third party is responsible for all or part of the cost of health services provided by Anthem Blue Cross, and such third party disputes that responsibility, then Anthem Blue Cross shall provide the benefits of the Agreement and Anthem Blue Cross shall automatically acquire thereby, by operation of law, a lien to the extent of benefits paid by Anthem Blue Cross. The Member agrees to take no action that may prejudice Anthem Blue Cross' rights under such lien. The lien may be filed with the responsible third party, his or her agent, or the court, and Anthem Blue Cross may exercise all rights available to it as a lien holder.

For purposes of this subsection, reasonable value shall be determined to be the usual, customary or reasonable charge for services in the geographic area where the services are rendered.

BENEFITS FOR MEDICARE ELIGIBLE MEMBERS

If a Member is entitled to Medicare, his or her Medicare coverage will not affect the services covered under this plan except as follows:

1. Medicare must provide benefits first to any services covered both by Medicare and this plan.
2. For services the Member receives that are covered both by Medicare Part A or B and this plan, coverage under this plan will apply only to Medicare Part A or B deductibles, coinsurance, and other charges for covered services over and above what Medicare pays.

BENEFITS FOR MEDICARE ELIGIBLE MEMBERS continued

3. If the Member elects to enroll in Medicare voluntary outpatient Prescription Drug benefits (Part D), the Member will **not** receive any benefits under the PRESCRIPTION DRUG BENEFITS section of this plan.
4. For any given claim, the combination of benefits provided by Medicare and the benefits provided under this plan will not exceed the Maximum Allowed Amount for the covered services.

Any charges paid by Medicare under Part A or B benefits for services covered under this plan will be applied toward this plan's deductible, if any.

A. Eligibility for Continuation - Qualifying Events

Under the Act and Regulations, all CalPERS employers are subject to the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). Under COBRA, Subscribers or Family Members may choose to continue coverage under the Agreement if it would otherwise end for any of the reasons shown below. These are called qualifying events, and they are:

For Subscriber and Family Members . . .

1. The Subscriber's termination of employment, for any reason other than gross misconduct;
2. A reduction in the Subscriber's work hours;
3. For Members who may be covered as retirees, cancellation of that retiree coverage due to the Employer's filing for protection under the bankruptcy law (Chapter 11), provided the Member was covered prior to the filing of bankruptcy.

For Family Members . . .

4. The death of the Subscriber;
5. The Spouse's divorce or legal separation from the Subscriber; or if the Spouse vacates the residence shared with the Subscriber;
6. The end of a child's status as a Family Member, in accordance with the Act and Regulations;
7. The Subscriber's entitlement to Medicare.

B. Requirements for Continuation

1. Notice

For qualifying events 1, 2 or 3 above, the Subscriber's Employer will notify the Subscriber of the right to continue coverage. For qualifying events 4 and 7, a Family Member will be notified of the continuation right. Anyone choosing to continue coverage must so notify the Board within 60 days of the date they receive notice of their continuation right.

In the event of an annuitant's death, it is the Family Member's responsibility to notify the Board within 30 days of the date of such qualifying event.

The Family Member must inform the Board of qualifying events 5 or 6 above within 60 days of such event if the Family Member wishes to continue coverage. If the Subscriber or Family Member fails to provide such timely notice to the Board, then such person shall not be entitled to elect continuation coverage.

CONTINUATION OF GROUP COVERAGE

Within 14 days of receipt of timely notice of a qualifying event, the Board shall provide written notice to eligible Subscribers and Family Members of their continuation right at the address of such persons on the records of the Board. Such notice to an employee or annuitant shall be deemed notice to all other eligible Family Members residing with such employee, annuitant or Spouse at the time such notification is made.

The continuation coverage may be chosen for all Members within a family, or only for selected Members. However, if a Member fails to elect the continuation when first eligible, that person may not elect the continuation at a later date.

Once a Subscriber and/or Family Member elects the COBRA continuation, Anthem Blue Cross shall provide written notice to each covered employee or annuitant of their rights to continuation of coverage. In addition to the written notice, an Evidence of Coverage booklet shall be sent to each enrolled Subscriber at his/her address on the enrollment document(s) and shall be deemed notice to such Subscriber and his/her Spouse.

2. Family Members Acquired During Continuation

A spouse or child newly acquired during the continuation period is eligible to be enrolled as a Family Member. The standard enrollment provisions of the Act and Regulations apply to enrollees during the continuation period. A Family Member acquired and enrolled during the period of continuation coverage which resulted from the original qualifying event is not eligible for a separate continuation if a subsequent qualifying event results in the person's loss of coverage*.

*Exception: A child who is born to, or placed for adoption with the Subscriber during the COBRA continuation period will be eligible for a separate continuation if a subsequent qualifying event results in the person's loss of coverage.

3. Cost of Coverage

The benefits of continuation coverage are identical to the benefits in this Evidence of Coverage. The cost for this continuation coverage, called the "subscription charge", must be paid each month during the COBRA continuation period to keep the continuation coverage in force. The subscription charge for continuation coverage may not exceed 102 percent of the prepayment fees specified for coverage under the Agreement or any amendment, renewal or replacement of this plan. An eligible Subscriber or his/her eligible Family Member(s) electing continuation coverage shall pay to Anthem Blue Cross the subscription charge for continuation coverage not later than the following dates:

- a. If such election is made before the qualifying event, the subscription charge may be paid with the written election, in the amount required for the first month of continuation coverage.
- b. If such election is made after coverage is terminated due to a qualifying event, the subscription charge for the period of continuation of coverage preceding the election shall be made within 45 days of the election together with the subscription charge for the period beginning with the date of election and ending on the last day of the month in which the subscription charge is paid for the period preceding the election. It is the intention of this provision to require that the initial subscription charge payment include subscription charges due for continuation coverage from the date coverage terminates under the group plan to the end of the month in which the initial subscription charge is paid.

CONTINUATION OF GROUP COVERAGE

Thereafter, the required subscription charge shall be paid on or before the first day of each month for which continuation coverage is to be provided. If any subscription charge for continuation coverage is not paid when due, Anthem Blue Cross may issue a notice of cancellation of continuation of coverage. If payment is not received within 15 days of issuance of such notice of cancellation, Anthem Blue Cross may cancel the continuation coverage on the sixteenth day following issuance of notice of cancellation. Termination of coverage shall be retroactive to the first day of the month for which the required subscription charge has not been received.

For a Subscriber who is eligible for an extension of continuation coverage due to having been determined by the Social Security Administration to be totally and permanently disabled, Anthem Blue Cross shall charge 150 percent of the Subscriber's subscription charge prior to the disability. Anthem Blue Cross must receive timely payment of the subscription charge each month in order to maintain the coverage in force.

If a second Qualifying Event (as shown below) occurs during this extended continuation, the total COBRA continuation may continue up to 36 months from the date of the first Qualifying Event. The subscription charge shall then be 150% of the applicable rate for the 19th through 36th month.

For purposes of determining subscription charges payable for continued coverage, a person originally covered as a spouse will be treated as the Subscriber if coverage is continued for him/herself alone. If such spouse and his or her child(ren) enroll, the subscription charge payable will depend upon the number of persons covered. Each child continuing coverage other than as a dependent of a Subscriber will pay the subscription charge rate applicable to a Subscriber (if more than one child is so enrolled, the subscription charge will be the two-party or three-party rate depending upon the number of children enrolled).

4. Subsequent Qualifying Events

Once covered under the continuation plan, it's possible for a second qualifying event to occur. If that happens, a Family Member may be entitled to a second continuation period. This period will in no event continue beyond 36 months from the date the Member's coverage terminated due to the first qualifying event. Except for newborn or newly adopted children as described above, only a Member covered prior to the original qualifying event is eligible to continue coverage again as the result of a later qualifying event. A Family Member acquired during the continuation coverage is not eligible to continue coverage as the result of a later qualifying event, with the exception of newborns and adoptees as described above.

(For example: Continuation may begin due to termination of employment. During the continuation, if a child reaches the proper age limit of the plan, the child is eligible for a second continuation period. This second continuation would end no later than 36 months from the date coverage was terminated due to the first qualifying event - the termination of employment.)

5. When Continuation Coverage Begins

When continuation coverage is elected and the subscription charge paid, coverage is reinstated back to the date the Member's coverage was terminated due to the qualifying event, so that no break in coverage occurs. Coverage for Family Members acquired and properly enrolled during the continuation begins in accordance with the enrollment provisions of the Act and Regulations.

CONTINUATION OF GROUP COVERAGE

C. When The Continuation Ends

This continuation will end on the earliest of:

1. The end of 18 months from the date the Member's coverage terminates, if the qualifying event was termination of employment or reduction in work hours. For a Member whose continuation coverage began under a prior plan, this term will be dated from the time the Member's coverage terminates under that prior plan due to the qualifying event.

Exceptions: A qualified beneficiary whose coverage is continued may extend that continuation coverage, provided that:

- a. the Member whose COBRA continuation under this plan began on or after January 1, 2003, and ends in accordance with item 1, elects to continue coverage for medical benefits only under CalCOBRA for the balance of 36 months (COBRA and CalCOBRA combined). All COBRA eligibility must be exhausted before the Member is eligible to further continue coverage under CalCOBRA. Please see CalCOBRA Continuation of Coverage in this booklet for more information.
- b. the disabled Member has been determined by the Social Security Administration to be totally and permanently disabled according to the statutory requirements of either Title II or Title XVI of the Social Security Act. The extension applies to all covered Members as well as the disabled Member. The disabled Member must furnish proof of the Social Security Administration's determination to his/her Employer during the first 18 months of COBRA continuation, but no later than 60 days after the later of the following events:
 - i. the date of the Social Security Administration's determination of the Member's disability;
 - ii. the date on which the original Qualifying Event occurs;
 - iii. the date on which the qualified beneficiary loses coverage; or
 - iv. the date on which the qualified beneficiary is informed of the obligation to provide the disability notice.

The period of continuation will in no event continue beyond (1) the period of disability, or (2) a maximum of 29 months after the date the Subscriber's coverage terminated due to the loss of employment, whichever occurs first. A Member whose COBRA continuation under this plan began on or after January 1, 2003, and ends in accordance with item 1, may elect to continue coverage for medical benefits only under CalCOBRA for the balance of 36 months (COBRA and CalCOBRA combined). All COBRA eligibility must be exhausted before the Member is eligible to further continue coverage under CalCOBRA. Please see CalCOBRA Continuation of Coverage in this booklet for more information.

2. The end of 36 months from the date the Member's coverage terminates, if the qualifying event was the death of the Subscriber; divorce, legal separation, the Spouse vacates the residence shared with the Subscriber; or the end of dependent child status. For a Member whose continuation coverage began under a prior plan, this term will be dated from the time the Member's coverage terminated under that prior plan due to the qualifying event.
3. The end of 36 months from the date the Subscriber became entitled to Medicare, if the qualifying event was the Subscriber's entitlement to Medicare.
4. The date the Agreement terminates.

CONTINUATION OF GROUP COVERAGE

5. The end of the last period for which the final subscription charge was paid.
6. The date after the date of election of COBRA, the Member first becomes eligible for Medicare.
7. The date after the date of election of COBRA, the Member first becomes covered under any other group health plan, except that if the Member's coverage under a group health plan contains any exclusion or limitation relating to a pre-existing condition, the Member's coverage will remain effective until the exclusions or limitations of the group health plan for pre-existing conditions no longer apply to the Member.

In the event that the Member is eligible for both continuation coverage and coverage under any other group health plan, the continuation benefits may be reduced so that the benefits and services the Member receives from all group coverages do not exceed 100 percent of the covered charges incurred.

Subject to the Agreement remaining in effect, a retired Subscriber whose coverage began due to a Chapter 11 bankruptcy may continue coverage for the remainder of his life; that Subscriber's covered Family Members may continue coverage for 36 months after their coverage terminates due to the Subscriber's death. However, coverage could terminate prior to such time for either the Subscriber or Family Member in accordance with items 4, 5, 6, or 7 above.

If a Member's continuation under this plan ends in accordance with items 1, 2, or 3, the Member may be eligible for Individual Conversion coverage. If a Member's continuation under this plan ends in accordance with items 1, 2, 3 or 4, the Member may be eligible for HIPAA coverage. The Employer will provide notice of these options within 180 days prior to the Member's COBRA termination date.

CALCOBRA CONTINUATION OF COVERAGE

If your continuation coverage under federal COBRA began on or after January 1, 2003, you have the option to further continue coverage under CalCOBRA for medical benefits only if your federal COBRA ended following:

1. 18 months after the qualifying event, if the qualifying event was termination of employment or reduction in work hours; or
2. 29 months after the qualifying event, if you qualified for the extension of COBRA continuation during total disability.

All federal COBRA eligibility must be exhausted before you are eligible to further continue coverage under CalCOBRA. You are not eligible to further continue coverage under CalCOBRA if you (a) are entitled to Medicare; (b) have other coverage or become covered under another group plan, as long as you are not subject to a pre-existing condition limitation under that coverage; or (c) are eligible for or covered under federal COBRA. Coverage under CalCOBRA is available for medical benefits only.

TERMS OF CALCOBRA CONTINUATION

Notice. Within 180 days prior to the date federal COBRA ends, Anthem Blue Cross will notify you of your right to further elect coverage under CalCOBRA. If you choose to elect CalCOBRA coverage, you must notify Anthem Blue Cross in writing within 60 days of the date your coverage under federal COBRA ends or when you are notified of your right to continue coverage under CalCOBRA, whichever is later. If you do not give Anthem Blue Cross written notification within this time period, you will not be able to continue your coverage.

CONTINUATION OF GROUP COVERAGE

Please examine your options carefully before declining this coverage. You should be aware that companies selling individual health insurance typically require a review of your medical history that could result in higher cost or you could be denied coverage entirely.

Additional Family Members. A dependent acquired during the CalCOBRA continuation period is eligible to be enrolled as a Family Member. The standard enrollment provisions of the Agreement apply to enrollees during the CalCOBRA continuation period.

Cost of Coverage. You will be required to pay the entire cost of your CalCOBRA continuation coverage (this is the "subscription charge"). This cost will be:

- 110% of the applicable group rate if your coverage under federal COBRA ended after 18 months; or
- 150% of the applicable group rate if your coverage under federal COBRA ended after 29 months.

You must make payment to Anthem Blue Cross within the timeframes specified below. Anthem Blue Cross must receive payment of your subscription charge each month to maintain your coverage in force.

Payment Dates. The first payment is due along with your enrollment form within 45 days after you elect continuation coverage. You must make this payment by first-class mail or other reliable means of delivery, in an amount sufficient to pay any required subscription charges and subscription charges due. Failure to submit the correct amount within this 45-day period will disqualify you from receiving continuation coverage under CalCOBRA. Succeeding subscription charges are due on the first day of each following month.

If subscription charges are not received when due, your coverage will be cancelled. Anthem Blue Cross will cancel your coverage only upon sending you written notice of cancellation at least 30 days prior to cancelling your coverage (or any longer period of time required by applicable federal law, rule or regulation). If you make payment in full within this time period, your coverage will not be cancelled. If you do not make the required payment in full within this time period, your coverage will be cancelled as of 12:00 midnight on the thirtieth day after the date on which the notice of cancellation is sent (or any longer period of time required by applicable federal law, rule or regulation) and will not be reinstated. Any payment Anthem Blue Cross receives after this time period runs out will be refunded to you within 20 business days. Note: You are still responsible for any unpaid subscription charges that you owe to Anthem Blue Cross, including subscription charges that apply during any grace period.

Change of Subscription Charge. The amounts of the subscription charges may be changed by Anthem Blue Cross as of any subscription charge due date. Anthem Blue Cross will provide you with written notice at least 60 days prior to the date any subscription charge increase goes into effect.

Accuracy of Information. You are responsible for supplying up-to-date eligibility information. Anthem Blue Cross shall rely upon the latest information received as correct without verification but maintains the right to verify any eligibility information you provide.

CalCOBRA Continuation Coverage Under the Prior Plan. If you were covered through CalCOBRA continuation under the prior plan, your coverage may continue under this plan for the balance of the continuation period. However your coverage shall terminate if you do not comply with the enrollment requirements and subscription charge payment requirements of this plan within 30 days of receiving notice that your continuation coverage under the prior plan will end.

CONTINUATION OF GROUP COVERAGE

When CalCOBRA Continuation Coverage Begins. When you elect CalCOBRA continuation coverage and pay the subscription charge, coverage is reinstated back to the date federal COBRA ended, so that no break in coverage occurs.

For Family Members properly enrolled during the CalCOBRA continuation, coverage begins according to the enrollment provisions of the Agreement.

When the CalCOBRA Continuation Ends. This CalCOBRA continuation will end on the earliest of:

1. The date that is 36 months after the date of your qualifying event under federal COBRA*;
2. The date the Agreement terminates;
3. The end of the period for which subscription charges are last paid (your coverage will be cancelled upon written notification, as explained under "Payment Dates" above);
4. The date you become covered under any other health plan, unless the other health plan contains an exclusion or limitation relating to a pre-existing condition that you have. In this case, this continuation will end at the end of the period for which the pre-existing condition exclusion or limitation applied;
5. The date you become entitled to Medicare; or
6. The date you become covered under a federal COBRA continuation.

CalCOBRA continuation will also end if you move out of our service area or if you commit fraud.

*If your CalCOBRA continuation coverage began under a prior plan, this term will be dated from the time of the qualifying event under that prior plan.

If your CalCOBRA continuation under this plan ends in accordance with items 1, 2 or 3, you may be eligible for HIPAA coverage or Individual Conversion coverage. You will receive notice of these options within 180 days prior to your CalCOBRA termination date. Please see the HIPAA COVERAGE AND INDIVIDUAL CONVERSION section for more information.

HIPAA COVERAGE AND INDIVIDUAL CONVERSION

If coverage for medical benefits under this plan ends, the Member may be eligible to enroll for coverage with any carrier or health plan that offers individual medical coverage. HIPAA Coverage and Individual Conversion are available upon request if the Member meets the requirements stated below. Both HIPAA Coverage and Individual Conversion are available for medical benefits only. Please note that the benefits and cost of these plans will differ from the Employer's plan.

HIPAA COVERAGE

The Health Insurance Portability and Accountability Act (HIPAA) is a federal law that provides an option for individual coverage when coverage under the employer's group plan ends. To be eligible for HIPAA coverage, the Member must meet all of the following requirements:

1. The Member must have a minimum of 18 months of continuous health coverage, most recently under an employer-sponsored health plan, and have had coverage within the last 63 days.
2. The Member's most recent coverage was not terminated due to nonpayment of subscription charges or fraud.
3. If continuation of coverage under the employer plan was available under COBRA, CalCOBRA, or a similar state program, such coverage must have been elected and exhausted.
4. The Member must not be eligible for Medicare, Medi-Cal, or any group medical coverage and cannot have other medical coverage.

The Member must apply for HIPAA coverage within 63 days of the date their coverage under the employer's plan ends. If a Member decides to enroll in HIPAA coverage, he or she will no longer qualify for Individual Conversion.

INDIVIDUAL CONVERSION

- A. A Subscriber whose coverage under the employer's plan is terminated, other than by voluntary cancellation, termination of the Memorandum of Agreement by the Board, termination of the Group Benefit Agreement by Anthem Blue Cross, withdrawal of his or her Employer from participation in the Act, or failure to continue enrollment or to make contributions during continuation of enrollment in a non-pay status according to the Act, may apply on behalf of himself or herself and all enrolled Family Members for an Individual Membership Agreement that may be in effect at the time of application for individual coverage.
- B. A Family Member whose coverage under the employer's plan terminates because of termination of enrollment of a Subscriber, or because of loss of Family Member status, may apply for an Individual Membership Agreement that may be in effect at the time of application for individual coverage.
- C. A Member, eligible for an individual conversion plan as specified in A. and B. above, must submit a written application and make the first subscription charge payment to Anthem Blue Cross within 63 days following the date coverage under the employer's plan ends. In such event, individual coverage shall become effective at 12:01 a.m. on the day following termination of coverage through the Employer.

HIPAA COVERAGE AND INDIVIDUAL CONVERSION

If you decide to enroll in an Individual Conversion plan, you will no longer qualify for HIPAA Coverage.

The intention of conversion coverage is not to replace the coverage a Member has under this plan, but to make available a specified amount of coverage for medical benefits until the Member can find a replacement. The conversion plan provides lesser benefits than this plan, and the provisions and rates differ.

When coverage under the employer's group plan ends, the Member will receive more information about how to apply for HIPAA coverage or Individual Conversion, including a postcard for requesting an application and a telephone number to call if the Member has any questions. Any carrier or health plan that offers individual medical coverage must make HIPAA coverage available to qualified persons without regard to health status.

TERMINAL BENEFITS

In the event the Agreement is terminated by Anthem Blue Cross, Anthem Blue Cross shall provide extension of benefits for a Member who is totally disabled at the time of such termination, subject to the following provisions:

- A. If a Member is totally disabled when coverage ends and is under the treatment of a Physician, the benefits of the Agreement shall continue to be provided under this section for services treating the totally disabling illness or injury, and for no other condition related to the condition causing the total disability, illness or injury or arising out of such totally disabling illness or injury. This extension of benefits is not available if the Member becomes covered under another group health plan that provides coverage without limitation for the disabling condition.
- B. A Member confined as an inpatient in a Hospital or Skilled Nursing Facility is considered Totally Disabled as long as the inpatient Stay is Medically Necessary, and no written certification of the total disability is required.
- C. A Member not confined as an inpatient who wishes to apply for total disability benefits must submit written certification by the Physician of the total disability. Anthem Blue Cross must receive this certification within 30 days of the date coverage ends under the Agreement. At least once every 60 days while benefits are extended, Anthem Blue Cross must receive proof that the Member's total disability is continuing.
- D. Benefits are provided until one of the following occurs:
 - 1. The Member is no longer Totally Disabled, or
 - 2. The maximum benefits of the Agreement are paid, or
 - 3. The Member becomes covered under another group health plan that provides coverage without limitation for disabling illness or injury, or
 - 4. A period of 12 consecutive months has passed since the date coverage ended.

GENERAL PROVISIONS

Evidence of Coverage

Anthem Blue Cross shall issue to the Subscriber an Evidence of Coverage booklet. This Evidence of Coverage booklet is not the Agreement. It does not change coverage under the Agreement in any way. This Evidence of Coverage booklet, which is evidence of coverage under the Agreement, is subject to all of the terms and conditions of that Agreement.

Identification Cards

Anthem Blue Cross shall issue to the Subscriber an identification card to which the Subscriber and Family Members are entitled. Possession of an Anthem Blue Cross identification card confers no right to services or other benefits of the Agreement. To be entitled to services or benefits, the holder of the card must, in fact, be a Member on whose behalf applicable prepayment fees under the Agreement have actually been paid. Any person receiving services or other benefits to which he or she is not then entitled pursuant to the provisions of the Agreement is chargeable therefore at prevailing rates.

Medical Necessity

The benefits of this Evidence of Coverage are provided only for services that are Medically Necessary as determined by Anthem Blue Cross. The services must be ordered by the attending Physician for the direct care and treatment of a covered illness, injury or condition, except for routine care, dental care and lenses following surgery as specifically stated. They must be standard medical practice where received for the illness, injury or condition being treated and must be legal in the United States. When an inpatient Hospital Stay is necessary, services are limited to those which could not have been performed before admission. The process used to authorize or deny health care services under this plan is available to you upon request.

Expense in Excess of Benefits

Anthem Blue Cross is not liable for any expense the Member incurs in excess of the benefits of this Evidence of Coverage.

Payment to Providers

Anthem Blue Cross pays the benefits of this plan directly to Contracting Hospitals, Centers of Medical Excellence, Prudent Buyer Plan Providers and medical transportation providers. If the Subscriber or Family Member receives services from non-contracting Hospitals or Non-Prudent Buyer Plan Providers, payment will be made directly to the Subscriber, and the Member will be responsible for payment to the provider. Any assignment of benefits, even if assignment includes the provider's right to receive payment, is void unless an Authorized Referral has been approved by Anthem Blue Cross. Anthem Blue Cross will pay non-contracting Hospitals and other providers of service directly when Emergency services and care are provided to the Member. Anthem Blue Cross will continue such direct payment until the Emergency Care results in stabilization. If the Member is a Medi-Cal beneficiary and assigns benefits in writing to the State Department of Health Services, Anthem Blue Cross will pay the benefits of this plan to the State Department of Health Services. These payments fulfill the obligation of Anthem Blue Cross to the Member for those services.

GENERAL PROVISIONS

Provider Reimbursement

Physicians and other professional providers are paid on a fee-for-service basis, according to an agreed schedule. A Prudent Buyer Plan Provider Physician may, after notice from Anthem Blue Cross, be subject to a reduced Maximum Allowed Amount in the event the Prudent Buyer Plan Provider Physician fails to make routine referrals to Prudent Buyer Plan Providers, except as otherwise allowed (such as for emergency services). Hospitals and other health care facilities may be paid either a fixed fee or on a discounted fee-for-service basis.

Public Policy Participation

Anthem Blue Cross has established a Public Policy Committee (that we call our Consumer Relations Committee) to advise our Board of Directors. This Committee advises the Board about how to assure the comfort, dignity, and convenience of the people we cover. The Committee consists of members covered by our health plan, participating providers and a member of our Board of Directors. The Committee may review our financial information and information about the nature, volume, and resolution of the complaints we receive. The Consumer Relations Committee reports directly to our Board.

Claims Procedures

Properly completed claim forms itemizing the services received and clearly and accurately describing the services or supplies received and the charges must be sent to Anthem Blue Cross by the Member or the provider of service. These claim forms must be received by Anthem Blue Cross within 90 days of the date services are received. If it is not reasonably possible to submit the claim within that timeframe, an extension of up to 12 months will be allowed. Anthem Blue Cross is not liable for the benefits of the Agreement if claims are not filed within this time period. Claim forms must be used; cancelled checks or receipts are not acceptable. To obtain a claim form the Member or someone on the Member's behalf may call the customer service phone number shown on the Member's ID Card or go to Anthem Blue Cross' website at www.anthem.com/ca and download and print one.

Members using Non-Prudent Buyer Plan Providers or Non-BHP Provider must submit bills attached to a claim form to:

Anthem Blue Cross
PORAC Unit
P.O. Box 60007
Los Angeles, CA 90060-0007

If you have any questions regarding the status of a claim, please call the PORAC claims and customer service telephone number: 1-800-288-6928.

Right of Recovery

Whenever payment has been made in error, Anthem Blue Cross will have the right to recover such payment from you or, if applicable, the provider, in accordance with applicable laws and regulations. In the event Anthem Blue Cross recovers a payment made in error from the provider, except in cases of fraud or misrepresentation on the part of the provider, Anthem Blue Cross will only recover such payment from the provider within 365 days of the date Anthem Blue Cross made the payment on a claim submitted by the provider. Anthem Blue Cross reserves the right to deduct or offset any amounts paid in error from any pending or future claim.

Under certain circumstances, if Anthem Blue Cross pays your healthcare provider amounts that are your responsibility, such as deductibles, co-payments or co-insurance, Anthem Blue Cross may collect such amounts directly from you. You agree that Anthem Blue Cross has the right to recover such amounts from you.

GENERAL PROVISIONS

Anthem Blue Cross has oversight responsibility for compliance with provider and vendor and subcontractor contracts. Anthem Blue Cross may enter into a settlement or compromise regarding enforcement of these contracts and may retain any recoveries made from a provider, vendor, or subcontractor resulting from these audits if the return of the overpayment is not feasible.

Anthem Blue Cross has established recovery policies to determine which recoveries are to be pursued, when to incur costs and expenses, and whether to settle or compromise recovery amounts. Anthem Blue Cross will not pursue recoveries for overpayments if the cost of collection exceeds the overpayment amount. Anthem Blue Cross may not provide you with notice of overpayments made by Anthem Blue Cross or you if the recovery method makes providing such notice administratively burdensome.

Free Choice of Hospital and Physician

This Evidence of Coverage in no way interferes with the right of any Member entitled to Hospital benefits to select the Hospital of his or her choice. That Member may choose any Physician who holds a valid physician and surgeon's certificate and who is a member of, or acceptable to, the attending staff and board of directors of the Hospital where services are received. The Member may also choose any other health care professional or facility which provides care covered under this Evidence of Coverage and is properly licensed according to appropriate state and local laws. However, that Member's choice may affect the benefits payable according to the terms of the Agreement.

Workers' Compensation Insurance

This Evidence of Coverage is not in lieu of and does not affect any requirement of coverage by Workers' Compensation Insurance.

Non-Regulation of Providers

Benefits provided under this Evidence of Coverage do not regulate the amounts charged by providers of medical care.

Area of Service

The benefits of this Evidence of Coverage are provided for covered services received anywhere in the world.

Benefits Non-Transferable

Only eligible Members are entitled to receive benefits under this Evidence of Coverage. The right to benefits cannot be transferred.

Independent Contractors

All providers are independent contractors. Anthem Blue Cross is not liable for any claim or demand of damages connected with any injury resulting from any treatment.

Clerical Error

No clerical error on the part of the Employer or Anthem Blue Cross shall operate to defeat any of the rights, privileges or benefits of any Member.

Grievance Procedure

Anthem Blue Cross has established and will maintain a grievance procedure comprised of at least two levels.

GENERAL PROVISIONS

Right to Receive and Release Information

For the purpose of enforcing or interpreting the Agreement, or participating in resolving any matter in dispute in regard to the Agreement, Anthem Blue Cross, the Board, or any person covered under this plan agrees, subject to statutory requirements, to share all relevant information with any other party. Such information may only be used in determining the disputed matter, and shall not be further disclosed without the consent of the person(s) to whom the information pertains. Any exchange of information pursuant to this section, for the limited purposes of the section, shall not be deemed a breach of any person's right of privacy.

Member Cooperation

By virtue of the agreement with CalPERS, Members agree to: (a) take action, furnish help and information, and execute instruments required to enforce Anthem Blue Cross' rights as set forth in the Agreement; (b) take no action to harm Anthem Blue Cross' rights or interests; and (c) tell Anthem Blue Cross of circumstances that may give rise to its rights.

Protection of Coverage

Anthem Blue Cross does not have the right to cancel the coverage of any Member under the Agreement while:

- A. The Agreement is still in effect, and
- B. The Member is still eligible, and
- C. The Member's subscription charges are paid according to the terms of the Agreement.

Providing of Care

Anthem Blue Cross is not responsible for providing any type of hospital, medical or similar care.

Terms of Coverage

- A. In order for a Member to be entitled to benefits under the Agreement, both the Agreement and the Member's coverage under the Agreement must be in effect on the date the expense giving rise to a claim for benefits is incurred.
- B. The benefits to which a Member may be entitled will depend on the terms of coverage in effect on the date the expense is incurred. An expense is incurred on the date the Member receives the service or supply for which the charge is made.
- C. The Agreement is subject to amendment, modification or termination according to the provisions of the Agreement without the consent or concurrence of Members.

Out of Area Services (For Members Traveling Outside of California)

Anthem Blue Cross has a variety of relationships with other Blue Cross and/or Blue Shield Licensees referred to generally as "Inter-Plan Programs". Whenever you obtain healthcare services outside of Anthem Blue Cross' service area, the claims for these services may be processed through one of these Inter-Plan Programs, which include the BlueCard Program and may include negotiated National Account arrangements available between Anthem Blue Cross and other Blue Cross and Blue Shield Licensees.

GENERAL PROVISIONS

Typically, when accessing care outside Anthem Blue Cross' service area, you may obtain care from healthcare providers that have a contractual agreement (i.e., are "participating providers") with the local Blue Cross and/or Blue Shield Licensee in that other geographic area ("Host Blue"). In some instances, you may obtain care from non-participating healthcare providers. Anthem Blue Cross' payment practices in both instances are described below.

Under the BlueCard® Program, when you access covered healthcare services within the geographic area served by a Host Blue, Anthem Blue Cross will remain responsible for fulfilling its contractual obligations. However, the Host Blue is responsible for contracting with and generally handling all interactions with its participating healthcare providers.

Whenever you access covered healthcare services outside Anthem Blue Cross' service area and the claims is processed through the BlueCard® Program, the amount you pay for covered healthcare services, is usually calculated based on the lower of the:

- The billed covered charges for your covered services, or
- The negotiated price that the Host Blue makes available to Anthem Blue Cross.

Often, the "negotiated price," will be a simple discount that reflects an actual price that the Host Blue pays to your healthcare provider. Sometimes it is an estimated price that takes into account special arrangements with your healthcare provider or provider group that may include types of settlements, incentive payments, and/or other credits or charges. Occasionally it may be an average price, based on a discount that results in expected average savings for similar types of healthcare providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing, going forward, also take into account adjustments to correct for over- or underestimation of modifications of past pricing for the types of transaction modifications noted above. However such adjustments will not affect the price Anthem Blue Cross uses for your claim because they will not be applied retroactively to claims already paid.

Laws in a small number of states may require the Host Blue to add a surcharge to your calculation. If any state laws mandate other liability calculation methods, including a surcharge, Anthem Blue Cross would then calculate your liability for any covered healthcare services according to applicable law.

Providers available to you through the BlueCard Program have not entered into contracts with Anthem Blue Cross. If you have any questions or complaints about the BlueCard Program, please call Anthem Blue Cross at the customer service telephone number listed on your ID card.

Anthem Blue Cross will notify the Member by telephone, and the provider by telephone and facsimile, as to whether or not the Member's request for continuity of care is approved. If approved, the Member will be financially responsible only for applicable deductibles, coinsurance, and co-payments under the plan. Financial arrangements with terminated providers are negotiated on a case-by-case basis. Anthem Blue Cross will request that the terminated provider agree to accept reimbursement and contractual requirements that apply to Prudent Buyer Plan Providers, including payment terms. If the terminated provider does not agree to accept the same reimbursement and contractual requirements, Anthem Blue Cross is not required to continue that provider's services. If the Member disagrees with Anthem Blue Cross' determination regarding continuity of care, the Member may file a grievance with Anthem Blue Cross by following the procedures described in the section entitled CLAIMS REVIEW / GRIEVANCE PROCEDURES.

Financial Arrangements with Providers

Anthem Blue Cross or an affiliate has contracts with certain health care providers and suppliers (hereafter referred to together as "Providers") for the provision of and payment for health care services rendered to its Subscribers and Members entitled to health care benefits under individual certificates and group policies or contracts to which Anthem Blue Cross or an affiliate is a party, including all persons covered under the Agreement.

Under the above-referenced contracts between Providers and Anthem Blue Cross or an affiliate, the negotiated rates paid for certain medical services provided to persons covered under the Agreement may differ from the rates paid for persons covered by other types of products or programs offered by Anthem Blue Cross or an affiliate for the same medical services. In negotiating the terms of the Agreement, PORAC was aware that Anthem Blue Cross or its affiliates offer several types of products and programs. The Subscribers, Family Members and PORAC are entitled to receive the benefits of only those discounts, payments, settlements, incentives, adjustments and/or allowances specifically set forth in the Agreement.

Also, under arrangements with some Providers certain discounts, payments, rebates, settlements, incentives, adjustments and/or allowances, including, but not limited to, pharmacy rebates, may be based on aggregate payments made by Anthem Blue Cross or an affiliate in respect to all health care services rendered to all persons who have coverage through a program provided or administered by Anthem Blue Cross or an affiliate. They are not attributed to specific claims or plans and do not inure to the benefit of any covered individual or group, but may be considered by Anthem Blue Cross or an affiliate in determining its fees or subscription charges or premiums.

Confidentiality and Release of Medical Information

Anthem Blue Cross will use reasonable efforts, and take the same care to preserve the confidentiality of the Member's medical information. Anthem Blue Cross may use data collected in the course of providing services hereunder for statistical evaluation and research. If such data is ever released to a third party, it shall be released only in aggregate statistical form without identifying the Member. Medical information may be released only with the written consent of the Member or as required by law. It must be signed, dated and must specify the nature of the information and to which persons and organizations it may be disclosed. Members may access their own medical records.

Anthem Blue Cross may release your medical information to professional peer review organizations and to the Trust for purposes of reporting claims experience or conducting an audit of our operations, provided the information disclosed is reasonably necessary for the Trust to conduct the review or audit.

A statement describing Anthem Blue Cross policies and procedures for preserving the confidentiality of medical records is available and will be furnished to you upon request.

GENERAL PROVISIONS

Conclusions made are incorporated into medical policy used to establish decision protocols for particular diseases or treatments and applied to medical necessity criteria used to determine whether a procedure, service, supply or equipment is covered.

Liability of Subscriber to Pay Providers

In accordance with California law, a Member will not be required to pay any Prudent Buyer Plan Provider or Related Health Provider any amounts Anthem Blue Cross owes to that provider (not including co-payments or deductibles), even in the unlikely event that Anthem Blue Cross fails to pay that provider. CLAIMS REVIEW / GRIEVANCE PROCEDURES

The plan provides that treatment or service must be Medically Necessary and be covered by this plan. The fact that your attending Physician may prescribe, order, recommend or approve a service or treatment does not, of itself, make it Medically Necessary or make the service or treatment an allowable expense, even if it is not specifically listed in the Evidence of Coverage as an exclusion. Anthem Blue Cross has the responsibility for determining whether claims are payable. A practicing physician-consultant retained by Anthem Blue Cross must agree if the denial is based on the lack of medical necessity. The practicing physician-consultant shall have the background appropriate to the clinical issues in questions.

Action on your claim, including any denial, will be given in writing, including the reason for any denial.

NOTE: You should use the following Anthem Blue Cross grievance procedures for disputes over coverage and/or benefits, or if you are dissatisfied with the quality of care or your access to care. For matters of eligibility, you should contact CalPERS Office of Health Plan Administration at P.O. Box 1953, Sacramento, Ca. 95812-1953.

The following procedures shall be used to resolve a dispute:

1. Objection to Claims Processing or Denial

If you do not agree with the action Anthem Blue Cross has taken on your claim, either you or your attending Physician, acting as your authorized representative, may request reconsideration. To request a reconsideration, you may telephone Anthem Blue Cross at 1-800-288-6928 or send a written request to Anthem Blue Cross at P.O. Box 60007, Los Angeles, CA 90060-0007 Attn: PORAC Unit. Anthem Blue Cross' customer service staff will answer your questions or assist you in resolving your issue.

If you are not satisfied with the resolution based on your initial inquiry, you may request a copy of the Plan Grievance Form from the customer service representative. You may complete and return the form to Anthem Blue Cross, or ask the customer service representative to complete the form for you over the telephone. You may also submit a grievance online or print the Plan Grievance Form through the Anthem Blue Cross website at www.anthem.com/ca. You must submit your grievance to Anthem Blue Cross no later than 180 days following the date you receive a denial notice from Anthem Blue Cross or any other incident or action with which you are dissatisfied. Your issue will then become part of Anthem Blue Cross' formal grievance process and will be resolved accordingly.

All grievances received by Anthem Blue Cross will be acknowledged in writing, together with a description of how Anthem Blue Cross proposes to resolve the grievance. After Anthem Blue Cross has reviewed your grievance, you will be sent a written statement on its resolution within 30 days. If your case is urgent and involves an imminent threat to your health, including, but not limited to, the potential loss of life, limb, or major bodily function, review of your grievance will be expedited and resolved within three days. You have the right to review all documents that are part of your grievance file and to present evidence and testimony as part of the grievance process.

If you have questions or concerns about your outpatient Prescription Drug coverage, you may call the Pharmacy Customer Service phone number listed on your ID card. If you are dissatisfied with the resolution of your inquiry and want to file a grievance, you may write to Anthem Blue Cross at the address listed above and follow the formal grievance process.

CLAIMS REVIEW / GRIEVANCE PROCEDURES

2. Special Independent Medical Reviews

A. Objection to Denial of Experimental or Investigative Treatment

If coverage for a proposed treatment is denied because Anthem Blue Cross determines that the treatment is Experimental or Investigative, you may ask that the denial be reviewed by an external independent medical review organization contracting with the Department of Managed Health Care (DMHC). Your request for this review may be submitted to the DMHC. You pay no application or processing fees of any kind for this review. You have the right to provide information in support of your request for review. A decision not to participate in this review process may cause you to forfeit any statutory right to pursue legal action against Anthem Blue Cross regarding the disputed health care service. Anthem Blue Cross will send you an application form and an addressed envelope for you to use to request this review with any grievance disposition letter denying coverage for this reason. To request an application form, please call or write to Anthem Blue Cross at the location shown above under item 1. To qualify for this review, all of the following conditions must be met:

1. You have a life-threatening or seriously debilitating condition, described as follows:
 - A life-threatening condition is a condition or disease where the likelihood of death is high unless the course of the disease is interrupted or a condition or disease with a potentially fatal outcome where the end point of clinical intervention is the patient's survival.
 - A seriously debilitating condition is a disease or condition that causes major, irreversible morbidity.
2. Your physician must certify that either (a) standard treatment has not been effective in improving your condition, (b) standard treatment is not medically appropriate, or (c) there is no more beneficial standard treatment covered by this plan than the proposed treatment.
3. The proposed treatment must be recommended by either (a) a Prudent Buyer Plan Provider or (b) a board certified or board eligible Physician qualified to treat you who certifies in writing that the proposed treatment is more likely to be beneficial than standard treatment. This certification must include a statement of the evidence relied upon.
4. If this review is requested either by you or by a qualified Non-Prudent Buyer Plan Provider (as described above), the requestor must supply two items of acceptable medical and scientific evidence. This evidence consists of the following sources:
 - a) Peer-reviewed scientific studies published in or accepted for publication by medical journals that meet nationally recognized standards;
 - b) Medical literature meeting the criteria of the National Institutes of Health's National Library of Medicine for indexing in Index Medicus, Excerpta Medicus (EMBASE), Medline, and MEDLARS database of Health Services Technology Assessment Research (HSTAR);
 - c) Medical journals recognized by the Secretary of Health and Human Services, under Section 1861(t)(2) of the Social Security Act;
 - d) Either of the following: (i) The American Hospital Formulary Services Drug Information, or (ii) the American Dental Association Accepted Dental Therapeutics;

CLAIMS REVIEW / GRIEVANCE PROCEDURES

- e) Any of the following references, if recognized by the federal Centers for Medicare and Medicaid Services as part of an anticancer chemotherapeutic regimen: (i) the Elsevier Gold Standard's Clinical Pharmacology, (ii) the National Comprehensive Cancer Network Drug and Biologics Compendium, or (iii) the Thomson Micromedex DrugDex;
- f) Findings, studies or research conducted by or under the auspices of federal governmental agencies and nationally recognized federal research institutes, including the Federal Agency for Health Care Policy and Research, National Institutes of Health, National Cancer Institute, National Academy of Sciences, Centers for Medicare and Medicaid Services, Congressional Office of Technology Assessment, and any national board recognized by the National Institutes of Health for the purpose of evaluating the medical value of health services; and
- g) Peer reviewed abstracts accepted for presentation at major medical association meetings.

In all cases, the certification must include a statement of the evidence relied upon.

You must request this review within six months of the date you receive a denial notice from Anthem Blue Cross in response to your grievance, or from the end of the 30 day, or three day grievance period if your case involves an imminent threat to your health, whichever applies. This application deadline may be extended by the DMHC for good cause.

Within three business days of receiving notice from the DMHC of your request for review, Anthem Blue Cross will send the reviewing panel all relevant medical records and documents in their possession, as well as any additional information submitted by you or your Physician. Any newly developed or discovered relevant medical records identified by Anthem Blue Cross or by a Prudent Buyer Plan Provider after the initial documents are sent will be immediately forwarded to the reviewing panel. The external independent review organization will complete its review and render its opinion within 30 days of its receipt of request for review (or within seven days if your Physician determines that the proposed treatment would be significantly less effective if not provided promptly). This timeframe may be extended by up to three days for any delay in receiving necessary records.

Please note: If you have a terminal illness (an incurable or irreversible condition that has a high probability of causing death within one year or less) and proposed treatment is denied because the treatment is determined to be Experimental, you may also meet with Anthem Blue Cross' review committee to discuss your case as part of the grievance process (see Objection to Claims Processing or Denial at the beginning of this section).

B. Independent Medical Review of Grievances Involving a Disputed Health Care Service

You may request an independent medical review (IMR) of disputed health care services from the Department of Managed Health Care (DMHC) if you believe that Anthem Blue Cross has improperly denied, modified, or delayed health care services. A "disputed health care service" is any health care service eligible for coverage and payment under your plan that has been denied, modified, or delayed by Anthem Blue Cross, in whole or in part because the service is not Medically Necessary.

CLAIMS REVIEW / GRIEVANCE PROCEDURES

The IMR process is in addition to any other procedures or remedies that may be available to you. You pay no application or processing fees of any kind for IMR. You have the right to provide information in support of the request for IMR. Anthem Blue Cross must provide you with an IMR application form with any grievance disposition letter that denies, modifies, or delays health care services. A decision not to participate in the IMR process may cause you to forfeit any statutory right to pursue legal action against Anthem Blue Cross regarding the disputed health care service.

Eligibility: The DMHC will review your application for IMR to confirm that:

1. (a) Your provider has recommended a health care service as Medically Necessary, or
(b) You have received urgent care or Emergency Care that a provider determined was Medically Necessary, or
(c) You have been seen by a Prudent Buyer Plan Provider for the diagnosis or treatment of the medical condition for which you seek independent review;
2. The disputed health care service has been denied, modified, or delayed by Anthem Blue Cross, based in whole or in part on a decision that the health care service is not Medically Necessary; and
3. You have filed a grievance with Anthem Blue Cross and the disputed decision is upheld or the grievance remains unresolved after 30 days. If your grievance requires expedited review, you may bring it immediately to the DMHC's attention. The DMHC may waive the requirement that you follow our grievance process in extraordinary and compelling cases.

You must apply for IMR within six months of the date you receive a denial notice from Anthem Blue Cross in response to your grievance, or from the end of the 30 day, or three day grievance period if your case involves an imminent threat to your health, whichever applies. This application deadline may be extended by the DMHC for good cause.

If your case is eligible for IMR, the dispute will be submitted to a medical specialist who will make an independent determination of whether or not the care is Medically Necessary. You will receive a copy of the assessment made in your case. If the IMR determines the service is Medically Necessary, Anthem Blue Cross will provide benefits for the health care service.

For non-urgent cases, the IMR organization designated by the DMHC must provide its determination within 30 days of receipt of your application and supporting documents. For urgent cases involving an imminent and serious threat to your health, including, but not limited to, serious pain, the potential loss of life, limb, or major bodily function, or the immediate and serious deterioration of your health, the IMR organization must provide its determination within three business days.

For more information regarding the IMR process, or to request an application form, please call Anthem Blue Cross customer service at 1-800-288-6928.

3. Time Limits for Filing an Objection

The reconsideration request must be made within 60 days of the denial of your claim and must give the reasons you believe the claim should be paid.

CLAIMS REVIEW / GRIEVANCE PROCEDURES

4. Time Limit for Anthem Blue Cross Review of Objection

Anthem Blue Cross will acknowledge receipt of a complaint by written notice to the complainant within 20 days. Anthem Blue Cross will then either affirm or resolve the denial within 30 days. If your case involves an imminent threat to your health, including, but not limited to, the potential loss of life, limb, or major bodily function, review of your grievance will be expedited.

If Anthem Blue Cross affirms the denial or fails to respond within 30 days after receiving your request for review and you still disagree, you may proceed to either item 6 or item 7 below.

5. Instructions for Grievances Regarding Coverage, Disputed Health Care Services, Eligibility, Malpractice and Bad Faith:

Coverage grievances: A coverage grievance concerns the denial or approval of health care services substantially based on a finding that the provision of a particular service is included or excluded as a covered benefit under the Evidence of Coverage booklet. It does not include a plan or contracting provider decision regarding a disputed health care service.

If you have followed the grievance procedures on the previous pages and are still dissatisfied, you may request a review by the Department of Managed Health Care, or you may proceed to item 6: Administrative Appeal Process or item 7: Binding Arbitration in the alternative. If your coverage dispute is within the jurisdictional limits of Small Claims Court, you may proceed through that court.

Note: CalPERS has no authority to rule over issues of medical malpractice or involving allegations of bad faith.

Disputed Health Care Service grievances: A disputed health care service grievance concerns any health care service eligible for coverage and payment under this Evidence of Coverage booklet that has been denied, modified, or delayed in whole or in part due to a finding that the service is not medically necessary. A decision regarding a disputed health care service relates to the practice of medicine and is not a coverage grievance, and includes decisions as to whether a particular service is experimental or investigational.

If you are still dissatisfied after you have followed the grievance procedures on pages 103-106 and received a response regarding the grievance filed with the Department of Managed Health Care (see: Independent Medical Review of Grievances Involving a Disputed Health Care Service on pages 105-106), you may proceed to item 6: Administrative Appeal Process or item 7: Binding Arbitration, in the alternative. If your coverage dispute is within the jurisdictional limits of Small Claims Court, you may proceed through that court.

Note: CalPERS has no authority to rule over issues of medical malpractice or involving allegations of bad faith.

Eligibility grievances: These issues should always be referred directly to CalPERS at the address noted on page 108.

Malpractice grievances: Claims of malpractice should be taken up directly with the provider(s) of medical care.

Bad faith grievances: You must proceed to item 7: Binding Arbitration for claims for benefits involving charges of bad faith.

CLAIMS REVIEW / GRIEVANCE PROCEDURES

6. CalPERS Administrative Appeal Process

Only **eligibility grievances** and **coverage grievances** which concern the denial or approval of health care services substantially based on a finding that the provision of a particular service is included or excluded as a covered benefit under this Evidence of Coverage Booklet may be appealed directly to CalPERS. Note: Anthem Blue Cross reserves the right to dispute or challenge CalPERS jurisdiction in particular matters. **Disputed health care service grievances** must be appealed through the Department of Managed Health Care's independent medical review process before they can be appealed to CalPERS (See pages 104-107).

CalPERS staff will conduct an administrative review upon your appeal of Anthem Blue Cross' denial of **coverage grievances** or the denial of a **disputed health care service grievance** by the Department of Managed Health Care. However, your written appeal must be submitted to CalPERS within 30 days of the postmark date of Anthem Blue Cross' letter of denial or the Department of Managed Health Care's determination of findings.

If the dispute remains unresolved during the administrative review process, the matter may then proceed to an Administrative Hearing. During the hearing, evidence and testimony will be presented to an Administrative Law Judge. As an alternative to this hearing, you have recourse to Binding Arbitration. However, you must choose between the Administrative Hearing and arbitration. You may not take the same issue through both procedures. You may withdraw your appeal to the CalPERS Board of Administration at any time and proceed to item 7: Binding Arbitration.

To file for an Administrative Hearing, please contact CalPERS Office of Health Plan Administration at P.O. Box 1953, Sacramento, Ca. 95812-1953, or call CalPERS Customer Service and Education Division (CSED) at **888 CalPERS** (or 888-225-7377) for information.

7. Binding Arbitration (Small Claims Court)

If you do not use item 6, or if it does not apply, binding arbitration is the final step in resolving your grievance. Any dispute or claim, of whatever nature, arising out of, in connection with, or in relation to this plan or the Agreement or breach or rescission thereof, or in relation to care or delivery of care, including any claim based on contract, tort or statute, must be resolved by arbitration if the amount sought exceeds the jurisdictional limits of the small claims court. Any dispute regarding a claim for damages within the jurisdictional limits of the small claims court will be resolved in such court. **Note: A small claims court judgment cannot be appealed.**

The Federal Arbitration Act shall govern the interpretation and enforcement of all proceedings under this Binding Arbitration provision. To the extent that the Federal Arbitration Act is inapplicable, or is held not to require arbitration of a particular claim, state law governing agreements to arbitrate will apply.

The Member and Anthem Blue Cross agree to be bound by these arbitration provisions and acknowledge that they are giving up their right to a trial by a jury for both medical malpractice claims and any other disputes.

California Health & Safety Code section 1363.1 requires that any arbitration agreement include the following notice based on California Code of Civil Procedures 1295(a): **It is understood that any dispute as to medical malpractice, that is, whether any medical services rendered under this contract were unnecessary or unauthorized or were improperly, negligently or incompetently rendered, will be determined by submission to arbitration as provided by California law, and not by a lawsuit or resort to court process except as California law provides for judicial review of arbitration proceedings and except for disputes regarding a claim for damages within the jurisdictional limits of the small claims court. Both parties to this contract, by entering into it, acknowledge that they are giving up their constitutional right to have any and all disputes, including medical malpractice claims, decided in a court of law before a jury, and instead are accepting the use of arbitration.**

CLAIMS REVIEW / GRIEVANCE PROCEDURES

The Member and Anthem Blue Cross agree to give up the right to participate in class arbitrations against each other. Even if applicable law permits class actions or class arbitrations, the Member waives any right to pursue, on a class basis, any such controversy or claim against Anthem Blue Cross and Anthem Blue Cross waives any right to pursue on a class basis any such controversy or claim against the Member.

The arbitration findings will be final and binding except to the extent that state or federal law provides for the judicial review of arbitration proceedings.

The arbitration is initiated by the Member making written demand on Anthem Blue Cross. The arbitration will be conducted by Judicial Arbitration and Mediation Services ("JAMS"), according to its applicable Rules and Procedures. If for any reason JAMS is unavailable to conduct the arbitration, the arbitration will be conducted by another neutral arbitration entity, by agreement of the Member and Anthem Blue Cross, or by order of the court, if the Member and Anthem Blue Cross cannot agree.

The costs of the arbitration will be allocated per the JAMS Policy on Consumer Arbitrations. If the arbitration is not conducted by JAMS, the costs will be shared equally by the parties, except in cases of extreme financial hardship, upon application to the neutral arbitration entity to which the parties have agreed, in which cases, Anthem Blue Cross will assume all or a portion of the costs of the arbitration.

ADDITIONAL DEPARTMENT OF MANAGED HEALTH CARE GRIEVANCE PROCEDURES:

If you are dissatisfied with the resolution of your grievance as described on pages 103 through 107, or if your grievance has not been resolved after at least 30 days (or within three days for urgent care), you may submit your grievance to the California Department of Managed Health Care for review prior to binding arbitration (see DEPARTMENT OF MANAGED HEALTH CARE below). If your case is urgent and involves an imminent threat to your health, including, but not limited to, the potential loss of life, limb, or major bodily function, you are not required to complete our grievance process or to wait at least 30 days, but may immediately submit your grievance to the Department of Managed Health Care (DMHC) for review. If your grievance concerns the termination of your coverage, you may also immediately submit your grievance to the DMHC if the DMHC determines your grievance requires immediate review.

If your grievance concerns the termination of your coverage and your coverage is still in effect when you submit a grievance, Anthem Blue Cross will continue to provide coverage to you under the terms of this Plan until a final determination of your request for review has been made, including any review by the Director of the Department of Managed Health Care. (Note: This does not apply if your coverage is cancelled due to non-payment of subscription charges.) If your coverage is maintained in force pending outcome of the review, subscription charges must still be paid to Anthem Blue Cross on your behalf. If your coverage has already ended when you submit the grievance, your coverage will not be maintained. If the Director of the Department of Managed Health Care determines that your coverage should not have been terminated, Anthem Blue Cross will reinstate your coverage back to the date it was terminated. Subscription charges must be paid current to Anthem Blue Cross on your behalf from the date coverage is reinstated.

If at the conclusion of review of your grievance by the Department of Managed Health Care you continue to be dissatisfied with its resolution, or prior to and instead of review of your case by the Department of Managed Health Care, your remedy may be item 6. CalPERS Administrative Appeal Process (see page 108) or item 7. Binding Arbitration (see pages 108-109).

CLAIMS REVIEW / GRIEVANCE PROCEDURES

DEPARTMENT OF MANAGED HEALTH CARE

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at the **telephone number listed on your identification card** and use your health plan's grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number (1-888-HMO-2219) and a TDD line (1-877-688-9891) for the hearing and speech impaired. The department's Internet web site (<http://www.hmohelp.ca.gov>) has complaint forms, IMR applications forms and instructions online.

SCHEDULES FOR NON-PRUDENT BUYER PLAN PROVIDERS

NON-PRUDENT BUYER PLAN PHYSICIANS

For services provided by a Non-Prudent Buyer Plan Physician, other than Emergency Care or an Authorized Referral, the Maximum Allowed Amount does not include any charge in excess of the Scheduled Amount, which is the amount obtained by multiplying the unit value of that service (established by the unit value schedule), by the appropriate unit allowance shown below. Anthem Blue Cross has the right to adjust, without notice, both the unit values and the schedule of unit allowances in order to maintain the relationship between this Non-Prudent Buyer Plan Physician Scheduled Amount and the fee schedule negotiated by Anthem Blue Cross with Prudent Buyer Plan Physicians. Benefits are determined based on the schedule in effect at the time services are rendered.

Exceptions: Covered charges for a Non-Prudent Buyer Plan Physician will not exceed the Reasonable and Customary Value when the services are for an Emergency, or the Maximum Allowed Amount when the services are for an Authorized Referral, Out-of-Area Member, Cancer Clinical Trial, or when the Non-Prudent Buyer Plan Physician's specialty is not represented in the Prudent Buyer Plan Network.

The sample schedule on the following pages shows the unit values of representative services and the basic unit value for anesthesia. For procedures not listed in the schedule, benefits are provided on the basis of comparable service.

- a. When two or more surgical procedures are performed during the same operative session, Anthem Blue Cross will calculate the Maximum Allowed Amount for all of the services combined by adding:
 - the Maximum Allowed Amount for the services with the highest Scheduled Amount; plus;
 - a reduced percentage of what the Scheduled Amount would have been for each of the additional surgical services if these services had been performed alone.
- b. The unit value for the services of an assistant surgeon will be a reduced percentage of the Scheduled Amount for the primary surgeon.
- c. The total unit value for the services of an anesthesiologist or anesthesiologist is the basic anesthesia value for that procedure and a unit value for the actual time spent administering anesthesia.

ORGAN DONATION

Each year, organ transplantation saves thousands of lives. The success rate for transplantation is rising, but there are far more potential recipients than donors. More donations are urgently needed.

Organ donation is a singular opportunity to give the gift of life. Anyone age 18 or older and of sound mind can become a donor when he or she dies. Minors can become donors with parental or guardian consent.

Organ and tissue donations may be used for transplants and medical research. Today it is possible to transplant more than 25 different organs and tissues. Today, it is possible to transplant more than 25 different organs and tissues; this can save the lives of as many as eight people and improve the lives of another 50 people. Your decision to become a donor could someday save or prolong the life of someone you know, perhaps even a close friend or family member.

If you decide to become a donor, please discuss it with your family. Let your Physician know your intentions as well. You may register as a donor by obtaining a donor card from the Department of Motor Vehicles. Be sure to sign the donor card and keep it with your driver's license or identification card. In California, you may also register online at:

www.donatelifecalifornia.org/

While organ donation is a deeply personal decision, please consider making this profoundly meaningful and important gift.

FOR YOUR INFORMATION

STATEMENT OF RIGHTS UNDER THE NEWBORNS AND MOTHERS HEALTH PROTECTION ACT

Under federal law, group health plans and health insurance issuers offering group health insurance coverage generally may not restrict benefits for any Hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery or less than 96 hours following a delivery by cesarean section. However the plan or issuer may pay for a shorter stay if the attending Physician (e.g., your Physician, nurse midwife, or physician assistant), after consultation with the mother, discharges the mother or newborn earlier.

Also, under federal law, plans and issuers may not set the level of benefits or out-of-pocket costs so that any later portion of the 48 hour (or 96 hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, a plan or issuer may not, under federal law, require that a Physician or other health care provider obtain authorization for prescribing a length of stay of up to 48 hours (or 96 hours). However, to use certain providers or facilities, or to reduce your out-of-pocket costs, you may be required to obtain pre-certification. For information on pre-certification, please call us at the customer service telephone number listed on your ID card.
